# Suisun City MARINA

**800 Kellogg Street**  
**Suisun City, CA 94585**  
**(707) 429-2628**

**Suisun City Marina**

**LOCATION MAP**

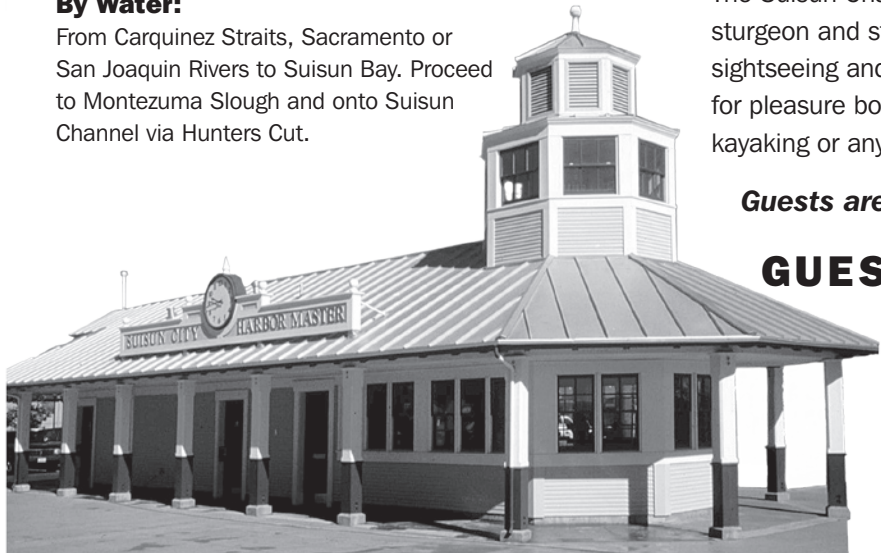

**DIRECTIONS TO SUISUN CITY MARINA**

**By Land:**

From Interstate 80 take Highway 12 East. Exit "Civic Center Blvd." off-ramp and proceed south on Main Street.

**By Water:**

From Carquinez Straits, Sacramento or San Joaquin Rivers to Suisun Bay. Proceed to Montezuma Slough and onto Suisun Channel via Hunters Cut.

**Suisun City Marina**

The Suisun City Marina was completely rebuilt in 1994 providing 150 rental berthing slips along with a 300 ft. guest dock and free public boat launch ramps at the south end of the marina. A new Harbormaster building was also constructed at 800 Kellogg Street.

The Suisun Channel provides direct access to the waterways of the California Delta and San Francisco Bay. The slough winds through the Suisun Marsh where it feeds into Grizzly Bay. The 84,000-acre marsh is one of the largest contiguous wetland preserves in the nation. The marsh, which is the largest remaining coastal wetland in California, lures nature-lovers, fishermen, hunters, and all categories of boaters.

**SPECIAL DISCOUNTS!**

- **Prepay Yearly Special**
- **Trailerable Boat Special**
- **Fueling Special**

The Suisun Channel and Marsh boasts outstanding sturgeon and striped bass fishing; excellent sightseeing and birdwatching, and fabulous waters for pleasure boating, cruising, water skiing, jet skiing, kayaking or any other water related activity.

*Guests are welcome to explore the area!*
