

PROPOSAL
(DO NOT DETACH)

Lawler Ranch Park Improvements – Phase 2

For the City of Suisun City, Solano County, California.

TO THE HONORABLE CITY COUNCIL
OF THE CITY OF SUISUN CITY

The work to be done and referred to herein is in the City of Suisun City, State of California, in accordance with the Special Provisions (including the payment of not less than the minimum wage rates set forth therein) and the contract annexed hereto and also in accordance with the Standard Plans, dated May 2010, the Standard Specifications, dated May 2010, the current General Prevailing Wage Rates according to the California Department of Industrial Relations, and the current issue of the California Department of Transportation publication entitled "Labor Surcharge and Equipment Rental Rates", on file in the office of the California Department of Industrial Relations, (415) 703-4281.

Bids are submitted for the entire work. The total amount of the bid for comparison purposes will be determined on the basis of item price and then the total of individual items. The total of unit basis items will be determined by extension of the item price bid on the basis of the estimated quantity set forth for the item. The amount of the bid for comparison purposes will be the total Base Bid amount. In other words, the low bid will be based on the Base Bid amount only. The City reserves the right to award the contract with any combination of Base Bid and Alternate Bids, whichever best matches the City's budget.

The bidder shall set forth for each item of work, in clearly legible figures, an item price and a total of the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the item price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the item price and the total set forth for the item, the item price shall prevail; provided, however, if the amount set forth as an item price is ambiguous, unintelligible or uncertain for any cause or is omitted, or in the case of unit basis items, is the same amount as the entry of the "Total" column, then the amount set forth in the "Total" column for the item shall prevail in accordance with the following:

1. As to lump sum items, the amount set forth in the "Total" column shall be the item price.

2. As to the unit basis items, the amount set forth in the "Total" column shall be divided by the estimated quantity of the item and the price thus obtained shall be the item price.

It is hereby agreed that the undersigned, as bidder, shall furnish a Faithful Performance Bond and a Labor and Materials Bond, each in the amount of one hundred percent (100%) of the total amount of this Proposal, to the City of Suisun City and at no expense to the City, executed by a responsible surety acceptable to said City, in the event that this Proposal is accepted by said Suisun City.

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give the bond in the sum to be determined as aforesaid, with surety satisfactory to the Public Works Department of the City of Suisun City, within 8 days, not including Sundays and legal holidays, after the bidder has received notice that the contract has been awarded, the Public Works Department may, at its option, determine that the bidder has abandoned the contract, and thereupon this Proposal and the acceptance thereof shall be null and void and the forfeiture of such security accompanying this Proposal shall operate and the same shall be property of the City of Suisun City.

The undersigned, as bidder, declares that he has carefully examined the work, the annexed proposed form of contract, and agrees that if this Proposal is accepted that he will contract with the City of Suisun City, in the copy of the form of contract annexed of hereto, to provide all the necessary tools, apparatus, and other means of accomplishing the work, and furnish all the materials specified in the contract in the manner and time herein prescribed, and in accordance with the requirements of the Engineer as therein set forth, and he will take in full payment thereof the following prices of the materials and work to be done completely installed/constructed to the satisfaction of the City of Suisun City, to-wit:
