Lotz Residences

16 Unit Single Family Residences

About the Lotz Way Residences:

- The proposed project will provide 16 new single-family homes. Offering a contemporary three-story floor plan, a detached two car garage with carriage house.
- As a community benefit a new pedestrian and bicycle trail will be placed along Lotz Way. A pocket park will be situated in the center of the residences. Public improvements within the subdivision will be maintained via formation of a Maintenance District.
- This project will also construct a public alley which will include 25 parallel parking spaces. The public alley will be 30 feet wide which is 10 feet wider than the average alleyway.

Project Timeline:

- Construction estimated to begin Fall of 2022
- Project estimated completion mid 2023.
