City Manager, Greg Folsom

May 2023 Update

Strategic Plan

We are launching our effort to establish a new strategic plan that will be our roadmap for the next three to five years, and your input is very important. Please take a few minutes to complete our community survey, so that your ideas can be factored into our strategic planning. Your input will help us ensure our strategic vision aligns with the greatest needs and priorities of our community. The community survey closes on June 23.

I appreciate your contributions and look forward to our continued work to create an even stronger, more improved Suisun City.

State of the City

I hope you were able to attend the State of the City that was held on May 30th. Mayor Alma Hernandez was the keynote speaker to discuss the challenges and accomplishments that we have had as a city over the last year. I want to thank the hard work that staff put into that event and special appreciation to our partner agencies that also participated. Donna LeBlanc received a key to the city in appreciation for her dedication to Suisun City. Donna actively participates in Council meetings, as well as on committees, and spends a lot of time helping to clean up trash and providing information about what is happening in the community. Thank you, Donna!

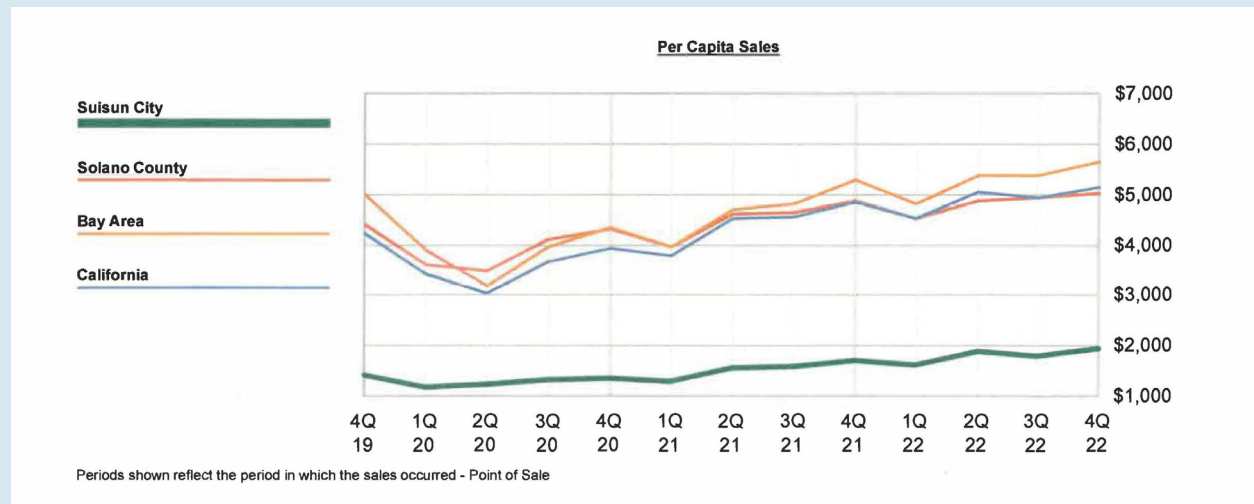

Development

Construction season is here and we celebrated two ground breakings in April (Tractor Supply and Starbucks) and one in May (Meridian West) for new projects! More details later in this publication on Meridian West. I met with our Development Services team and our Principal Planner, John Kearns, says that this is the busiest we have been in the 17 years he has worked for Suisun City. We are anticipating several ribbon cuttings in June or July, including the Lawler Residences and Take 5 Oil Change, so more info coming soon on those.

Budget

We are currently in the middle of labor negotiations and putting together our budget for fiscal year 2023/24. While I cannot go into details right now about the labor negotiations, I can tell you that this year continues to be a challenging year as our revenue increase are matched by increases in expenses. Measure S is the key to keeping Suisun City sustainable from a fiscal perspective. Below you will see a chart that compares our sales tax revenues with Solano County, the Bay Area, and California. While we are definitely increasing our sales tax revenues, we still lag far behind the average California city.

Development Services Department

Planning Commission

The Planning Commission held a public hearing at a special meeting on May 16th. At this meeting, the Commission made a recommendation for City Council approval of the proposed adoption of the California Building Standards Code (CBSC). Staff hopes the City Council will be able to consider the ordinance by the end of June. The next regularly scheduled meeting of the Planning Commission is June 13th.

Meridian West Ground Breaking

On May 10, 2023, Suisun City held another groundbreaking to celebrate the beginning of construction of the new Meridian West subdivision by the national homebuilder, Century Communities. The ceremony was attended by local officials, business leaders, and community members. Meridian West will be a 71-unit single-family home community on the west side of Suisun City at the former location of Crystal Middle School. According to Century Community representatives, the new homes will likely start in the mid \$500,000's and model homes are expected to be ready for touring this summer.

Cannabissary

City staff provided the applicant with a letter documenting that the application remains incomplete and revisions to the plans are necessary prior to Planning Commission and City Council action. Cannabissary is a proposed dispensary to be located at Railroad and Humphrey.

Clallam Academy (formerly Caterpillar Clubhouse) – 1241 Anderson Drive

Staff has been made aware that a pre-final inspection is expected to be requested soon with hopes to begin summer school programming.

Dr. Nare Dental Office

The applicant, Dr. Nare, has proposed a dental office on the south side of Lotz Way directly in front of the One Harbor Center Office Building. Staff is awaiting a response from the applicant on the proposed conditions of approval. Once the applicant is in agreement with the conditions, a public hearing will be set with the Planning Commission (and then the City Council).

Element 7

City staff has been in contact with the ownership of Element 7 regarding initiating both tenant improvements, as well as site work for the property at 300 Railroad Avenue. Element 7 has approval to operate a cannabis dispensary at this location. Element 7 has indicated that they are eager to begin demolition work as soon as possible.

Suisun City 2023-2031 Housing Element

On May 23rd the City received a letter from California Housing and Community Development (HCD) finding the City's adopted 2023-2031 Housing Element in substantial compliance with State Housing Element Law.

Olive Tree Ranch

The applicant has submitted a revised subdivision layout for the project. This will require a new review of the project by each department. Meanwhile, with the new project layout, the CEQA document preparation will be reinitiated. Olive Tree Ranch will be located on Olive Road south of the mobile home park.

Take 5 Oil Change

Take 5 is in the final stages of construction and a grand opening is expected soon! Take 5 is located on Walters next to the 7-11.

Lawler Residences

Lawler Residences will be receiving their temporary occupancy permit soon so that they can begin pre-leasing their luxury apartments. These apartments will be among the nicest in Solano County. This project is located on Anderson Drive.

Train Depot Vendor Lease Agreement

Staff and the lessee are resolving the rest of the items that needed to be addressed in the lease. Staff expects the lease to come before the City Council by the end of June.

FIRE DEPARTMENT

Fire Department Statistics

Information & Announcements

Chief Fleshman & K9 “Gunner”: Jessica Fleshman, Battalion Chief with Fairfield Fire Department, and her K9 companion “Gunner” visited our Suisun City Firefighters last week. Chief Fleshman is trained in Peer Support and Critical Incident Stress Management along with her K9. They visited our team where we were able to learn more about their program and the services they provide throughout the region.

May is Mental Health Awareness Month and Suicide Prevention & Awareness Stand Down, where we took the opportunity to be proactive about mental health, talking about the signs, symptoms, prevention, and the importance of taking care of our mental and physical health and each other. Chief Fleshman shared about their available services, experience, and how they have been able to positively impact members in their organization and throughout the region. A big thank you to Chief Fleshman and Gunner for taking the time to visit with us!

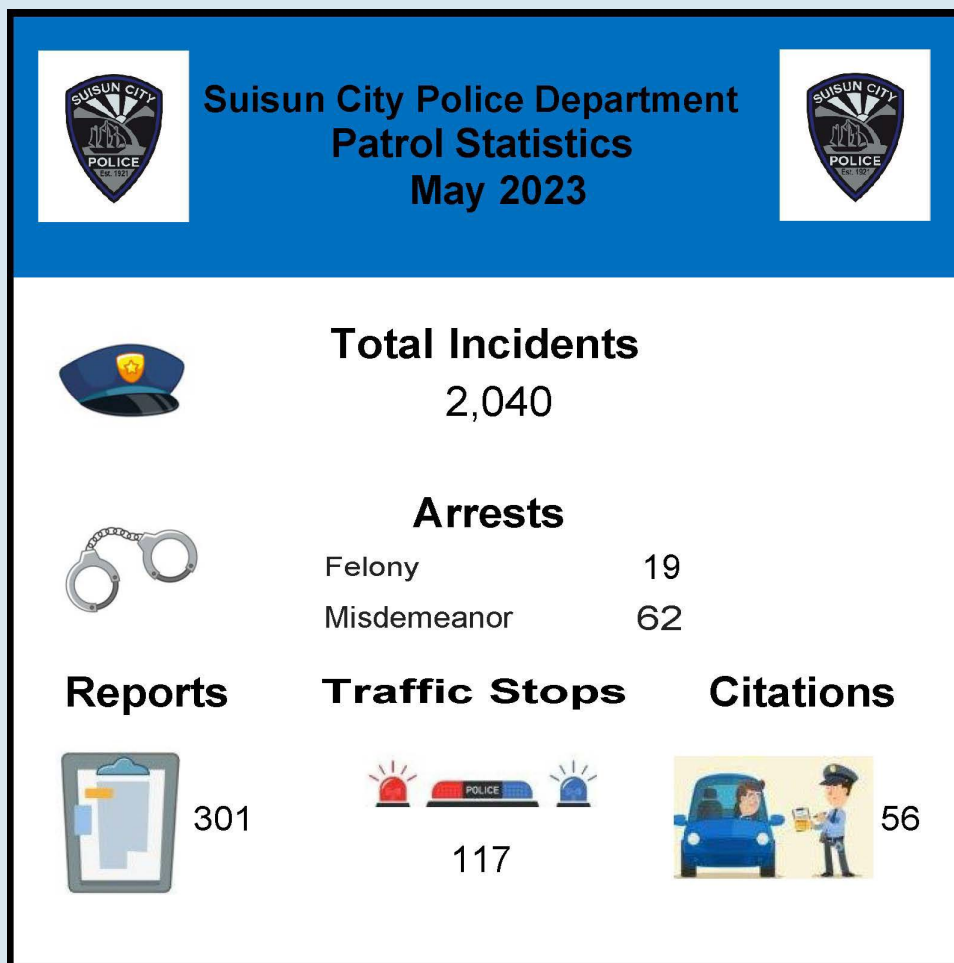

Prevention

Fire Prevention Week Poster Contest: Fire Marshal, Jose Colin, Fire Chief Brad Lopez, and staff presented an award to Cassie Imperial, a first-grade student at Dan O. Root Elementary last Wednesday, May 17th, 2023. Cassie was selected as the winner of the poster contest from Fire Prevention Week in 2022 and recognized along with her parents and classmates by the Fire Marshal and staff.

PUBLIC WORKS

PUBLIC WORKS ENGINEERING

State Route Highway 12 Landscape Improvements Project

The contract with the Landscape Contractor has been fully executed for this Project and a Notice to Proceed has been issued. Additionally, a pre-construction meeting has been conducted, and the contractor has submitted their encroachment permit application to Caltrans. Caltrans has returned its encroachment permit application with comments, which the contractor promptly addressed. The contractor is now waiting for the approved Caltrans encroachment permit before finalizing his project schedule and scheduling the construction start. Pending Permit issuance, the Contractor's schedule includes mobilizing shortly thereafter and completing the Project by October 2023. Milestones include clearing & grubbing, fence removal & replacement, minor grading, irrigation installation, planting, and mulch installation.

Senate Bill 1 – List of Streets

The City Council approved Senate Bill 1 (SB 1) List of Streets for calendar years 2023 through 2029. This was submitted this week to the California Transportation Commission via the CalSMART online reporting tool (<https://calsmart.dot.ca.gov/login/auth>) as required by the SB1 program. The List of Streets includes the names of streets that will be resurfaced with either slurry seal or asphalt rubber cape seal as the budget allows.

Meridian West Development

Construction work started in May, including onsite grading and utility installation. Currently, the replacement of the sewer line on California Street between two existing manholes has been completed at the following locations: 1) within the Union Pacific Rail Road (UPRR) property west of California Street, and 2) at the intersection of California Street and West Street. The developer secured the necessary UPRR permit prior to performing work within UPRR property boundary. The work within UPRR property included re-channelizing the Fairfield-Suisun Sewer District's sewer manhole. Utility work will continue to the next phase, which includes sewer manhole installation, new sewer pipeline installation, and sewer pipeline replacement.

New Hire Spotlight

The RPM Department would like to highlight some new employees that have started in the past week.

- Robert Olsen – Marina Attendant
- Dontae Hewlett – After School Program
- Vanessa Lopez - After School Program
- Evelyn Marcelo - After School Program

Staff is excited about the new hires and look forward to their contributions in their respective programs.

Project Play Summit

Recreation Supervisor Marvin Mora attended the Project Play Summit in Colorado Springs, CO from May 17th-18th. Marvin presented a breakout session on creating meaningful partnerships for parks and recreation agencies as part of Project Play's 'Consultancy Protocol.' Project Play is a cross-sector initiative of the Aspen Institute Sports and Society Program, and its purpose is to develop, apply and share knowledge that helps agencies build healthy communities through sports. His participation in the training was funded by a grant from the National Park and Recreation Society

Cinco de Mayo Celebration

On Saturday, May 6th, hundreds of people attended the Cinco de Mayo Celebration at Harbor Plaza. This event was hosted by the Suisun City Business Improvement District, Chelu Car Club, and Veterans of Foreign Wars Post 2333. This event was also sponsored by the Solano Hispanic Chamber and Solano Black Chamber of Commerce. It was a beautiful day with some rain in the morning and

sunny skies in the afternoon. Approximately 80 cars and over 40 vendors participated in this event. The entertainment kicked off at Harbor Plaza stage at 10 am and included Zeebop, Quetzalli Ballet Folklorico, Monazteca Dance, and more. This was the first Cinco de Mayo Celebration at the Suisun Waterfront and it was a great collaboration between several community groups.

The Biggest Little Car Show

On Saturday, May 20th, the 38th Annual Biggest Little Car Show was hosted by the Golden Hills Mustang Club. It was a beautiful morning, and the club was happy to be back. It was a successful event with approximately 150 Mustangs filling Harbor Plaza. The cars, music, and food made it a nice event for

the whole family. Mayor Alma Hernandez attended and was happy to judge the Mayors Choice category. The club will be donating proceeds to the Gavin Buchanan Memorial Foundation and Victims Empowerment Support Team (VEST). We hope they will be back next year for the 39th annual car show.

Summer Camp

We are thrilled to announce that our annual summer camp will be starting on June 12th at the Joseph Nelson Center! Get ready for an incredible summer filled with excitement, learning, and new friendships! To ensure a full day of excitement and adventure, our camp will operate from 8:00 am to 6:00 pm. These extended hours have been designed to accommodate working parents while ensuring that our campers have ample time to participate in

all the engaging activities we have planned.

Skate Clinics

Suisun City RPM is pleased to announce that it will be offering 'skate sessions' this summer at Heritage Park. Clinics will be taught by Skate Like a Girl, a nonprofit organization committed to empowering skaters and creating an inclusive community by promoting confidence, leadership, and social justice. The skate programs are designed to be a space for young people to use skateboarding as a tool for creativity, self-exploration, community, and to have fun! The program is open to youth 6-13 of all genders and skate abilities, from having never skateboarded before to working on advanced skills. More information is in the attached flier – sessions are \$6 and will take place on June 24th, July 15th, and August 26th. For more information on the program, contact Marvin Mora, Recreation Supervisor at mmora@suisun.com. NRPA
NATIONAL RECREATION AND PARK ASSOCIATION

Lambrecht Sports Complex

On Saturday and Sunday, May 20th and 21st, we hosted our sixth tournament of 2023. Eighteen youth teams aged 12 and 14 from the surrounding areas battled it out for the championship. There was a grand total of 18 teams in the tournament, and all

three fields were used over the weekend. The snack bar was also busy, with \$2,618 in revenue. Recreation staff members are now getting ready for the next tournament over Memorial Day weekend.

Marina

This month at the marina, marina staff replaced the plexiglass on the gate A door which needed repair. Staff continue to pressure wash the docks and pilings to keep up on cleanliness and presentation, and regularly check on docked boats.

The annual dock maintenance project is currently underway. This maintenance is being done by Bellingham Marine and includes balancing the docks, fixing broken whalers, adding floatation to fingers, and replacing and fixing fenders and corner bumpers.

May Revenue Summary

The month of May has been incredibly successful for the Recreation Department, with a total revenue of \$76,795 from our combined programs and rentals. This remarkable achievement is a testament to the hard work, dedication, and collaborative efforts of each member of our team.

Park and Facility Rentals at the Community Center: \$22,405.

- The community centers' park and facility rentals have made a significant contribution to our overall revenue in May. This achievement highlights the growing demand for our facilities and the exceptional service provided by our team.

Sports Complex Revenue: \$22,770.

- The sports complex has played a crucial role in generating revenue for our department. The substantial amount of \$22,770 signifies the popularity and success of our sports facility.

Program Revenue: \$31,620.

- Our programs have consistently demonstrated their value and appeal to our community. With a revenue of \$31,620, we have not only met but exceeded our expectations for May. This accomplishment reflects the exceptional quality and variety of programs we offer.

Preschool Muffins with Mom

Preschool hosted "Muffins with Mom" to celebrate all the amazing women before Mother's Day weekend, and we are excited to announce that it was such a huge success. Thank you to those who came by and participated! We hope everyone enjoyed their iced coffee and sweets.

Preschool Graduation

May 26th was Preschool Graduation! It was a full house with 17 excited Pre-K graduates. The preschool staff planned out a complete ceremony, with a dessert bar and light refreshments. All graduates had proud family members, and each family had the opportunity to take photos with a graduate background as keepsakes. We would like to thank everyone for attending and sharing this special moment not only with the department but with the families. We are proud of all the graduates and wish them the best on their next adventure in their educational careers.

Seniors

On Thursday, May 25th, 90 seniors attended the Spring Fling Dinner Dance. Dinner included pulled pork or pulled chicken, Hawaiian rolls, baked beans, coleslaw, and cupcakes. We had a photo booth for the first time and the seniors enjoyed taking pictures and posing with props. Seniors submitted song requests to DJ Glenn Snyder and many danced

until 9 pm. Overall, it was a great night, and we look forward to hosting the Summer Dinner Dance in July.

Wednesday, May 31st, we had a potluck during bingo with 20 seniors in attendance. They shared food including lumpia, pasta, rolls, and more. We welcomed some new seniors, and we hope to continue seeing them at bingo. The next potluck will be on Wednesday, June 28th.

Seniors (Continued)

Thursday, May 11th, staff took 9 seniors to Pena Adobe Regional Park for a Picnic Day. It was a beautiful sunny day and the seniors had fun going outside. They went for a short walk, shared food with each other, and offered suggestions for future day trips including the zoo, farmer's market, and more. We look forward to offering more day trips this coming summer.

Wednesday, May 17th, we hosted the Touro University

Health Clinic from 11 am-2 pm at the Community Center. We are grateful that 5 programs were in attendance including Mobile Diabetes Education Center (MOBEC), Touro Child and Adult Resource Education and Support Mobile Vaccination Program (Touro CARES MVP), SolanoConnex, Drug Safe Solano, and Solano Family & Children's Services. Approximately 40 seniors attended this free clinic which provided diabetes screenings, blood pressure screenings, COVID-19 vaccines, and boosters, Tdap vaccines, and resources.

Tuesdays with CARE4EM

Coming off the great feedback from the First 5 Solano Early Childhood Recreation Classes Series, CARE4EM will be providing a regular Tuesday class starting this Summer in Suisun City! Starting July 11th CARE4EM will be hosting a combination class featuring aspects of drumming, yoga, dance, storytelling, and parachute play. There will be two different classes, one for ages 18 months to 4 years old, and another 4 to 7 years old. The cost is \$50 for a 44-week session. Please see the flyer to the right for more information. Suisun City RPM Department is excited to welcome CARE4EM to its regular offerings of programs.

CARE4EM RPM

18 MONTHS - 4 YEARS OLD / 4 TO 7 YEARS OLD

This high energy 45 minute class combines music, intentional movement, drumming, storytelling, yoga, parachute play and lots of fun. We've combined the best of both Mindful Movement and Mindful Music to share mindfulness practices and meditation strategies that decrease stress, encourage healthy attachment, and emotional self-regulation for children and their caregivers.

Each class has a minimum of 15 children; minimum must be met for class to occur. The maximum capacity of each class is 20 children.

Proposition 64 Public Health and Safety Cohort 3 Grant Program

Recreation Supervisor Marvin Mora received word that the RPM and Police Department's application towards the Proposition 64 Public Health and Safety grant program was recommended to be funded! The Board of State and Community Corrections (BSCC) Executive Board will officially vote to fund all Cohort 3 recommendations on April 13th. It is anticipated that the BSCC Executive Board will vote to fund all recommendations. Suisun City will receive ~\$2.29 million over a 5-year period. This was a competitive grant process for projects that address local impacts due to the legalization of cannabis in California. Eligible applicants for the program are local government agencies that do not ban either indoor and outdoor commercial cannabis cultivation or retail sale of cannabis or cannabis products.

The project will be officially called Suisun City's Teen Development & Cannabis Education Program. The project will establish a Suisun City Police Activities League (PAL) program for middle school and high school youth that combines existing PAL structure and resources with cannabis prevention and education curriculum developed by Suisun City RPM staff and the Solano County Office of Education. It will support a Recreation Supervisor to oversee the project and a School Resource Officer that will participate in school intervention efforts and will focus on mentoring, counseling, building relationships with youth, and acting as an extension of the program. The program will give Suisun City teens the chance to mature, gain valuable leadership and life skills, participate in unique enrichment and recreation opportunities, and set themselves for lifelong success – all with cannabis prevention and education as its nexus. The RPM and Police Departments are excited to receive this funding and can't wait to impact the teens of Suisun City.

Have a great June!
