AGENDA TRANSMITTAL**MEETING DATE:** February 3, 2015

CITY AGENDA ITEM: Adoption of Council Resolution No. 2015-__: Authorizing the City Manager to Execute a Professional Services Agreement on the City's Behalf with BKF Engineers for City Engineering Services.

FISCAL IMPACT: The contract to provide City Engineer service through the remainder of this fiscal year would be \$50,000. This is funded primarily by projects outside of the General Fund. No budget increase would be necessary.

BACKGROUND: In July 2008, the Public Works Director position became vacant and reorganization created the Building and Public Works Department. A services agreement with Coastland Civil Engineering was entered into to fill the legally required City Engineer position. That contract was awarded by Council at the August 19, 2008 meeting and Dane Schilling was appointed our CE. Coastland has informed the City that Dane will no longer be able to perform these duties.

STAFF REPORT: A Request for Qualifications was published on November 17, 2014. Five proposals were opened on December 11, 2014. After review the top four qualified firms were invited to participate in a formal interview process. The four firms interviewed were:

- Interwest Consulting Group
- BKF Engineers
- Willdan Engineering
- Creegan + D'Angelo

Staff initially negotiated with Interwest Consulting Group to fill the position. However, Interwest withdrew from the negotiations because of its candidate's scheduling conflicts. Staff then negotiated with the next consultant on the list. BKF Engineers (BKF) proposed to provide Dayne Johnson as the City Engineer. Dayne Johnson and the other support staff provided by BKF were determined to be the most qualified to perform the services needed by Suisun City. Dayne will work under the supervision of the Building & Public Works Director. Initially his attendance will be scheduled at two days per week. This may change as workload changes. The City is free to terminate the agreement at any time with 30 days' notice.

RECOMMENDATION: It is recommended that the City Council adopt Resolution No. 2015-__: Authorizing the City Manager to Execute a Professional Services Agreement on the City's Behalf with BKF Engineers for City Engineering Services.

RESOLUTION NO. 2015 - ____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
AUTHORIZING THE CITY MANAGER TO EXECUTE A PROFESSIONAL
SERVICES AGREEMENT ON THE CITY'S BEHALF WITH BKF ENGINEERS
FOR CITY ENGINEERING SERVICES**

WHEREAS, the engineering firm providing the current contract City Engineer has indicated that it can no longer provide the City with contract engineering services and it is essential to the City to have a licensed City Engineer; and

WHEREAS, the City did request proposals from qualified firms to provide contract City Engineering services; and

WHEREAS, the City received proposals from five responsible professional engineering firms; and

WHEREAS, City staff has interviewed four of the most qualified responding professional engineering firms; and

WHEREAS, BKF Engineers, a California Corporation was selected as the most qualified firm for the City; and

WHEREAS, BKF Engineers through its designated contract City Engineer, Dayne Johnson, would provide the City, on an as-needed basis, the following services: managing capital improvement projects and studies, engineering design, reviewing and conditioning proposed development projects, providing plan and map checking services, pavement management, construction management and inspection of public projects, capital improvement program development, and other engineering services as necessary.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Suisun City authorizes the City Manager to negotiate and execute a Professional Services Agreement on behalf of the City with BKF Engineers, a California Corporation, for contract city engineering services terminating June 30, 2015, not to exceed \$50,000 and extendable on a month-to-month basis thereafter, and with the option to terminate at any time with a 30-day notice.

PASSED AND ADOPTED by a Regular Meeting of said City Council of the City of Suisun City duly held on Tuesday, the 17th of February 2015, by the following vote:

MEETING DATE: February 17, 2015

CITY AGENDA ITEM: Council Adoption of Resolution No. 2014-___: Authorizing the City Manager to Fill the Executive Management Functions over the Recreation & Community Services Department within the next Two to Four Months.

FISCAL IMPACT: The FY 2014-15 budget includes funding for part-time management of the Recreation & Community Services Department. Alternatives for staffing the job functions of this position will be explored within current resources, while exploring opportunities resulting from possible retirements and grant opportunities. If funding is recommended outside current allocations to cover this function on a part-time basis, staff will come back for authorization for additional funding by the City Council.

BACKGROUND: The City Council has in place a selective hiring freeze, requiring Council approval before moving forward to fill vacancies. The position of Director of Recreation and Community Services has been vacant since December of 2009. At that time, the position was modified to consolidate and move park and landscape maintenance functions to the maintenance operation of the Public Works Department. Due to budgetary constraints, key remaining functions of the position have been managed on a part-time basis.

STAFF REPORT: The City is working through a transition process with the current individual, who has been providing part-time management and oversight of the Recreation & Community Services Department, requiring staff to find an alternative method of staffing these functions within the next two to four months. Consistent with the City Council's hiring freeze policy, the City Manager is seeking authorization to pursue alternatives to staffing these functions, so there is no lapse in the management of our recreation and community services programs.

Given the part-time status of funding currently available, finding the right "fit" may be challenging to find; but until outreach begins in earnest, one never knows what opportunities exist in the marketplace. Optionally, there are some possible retirements on the horizon and grant opportunities that may provide a different opportunity for covering these functions. At this time, however, it is assumed that coverage of these functions will be provided within the current resources available. If additional resources are required, staff will return for authorization for additional funding by the City Council.

RECOMMENDATION: It is recommended that the City Council adopt Resolution 2015-___: Authorizing the City Manager to Fill the Executive Management Functions over the Recreation & Community Services Department within the next Two to Four Months.

RESOLUTION NO. 2015 - ____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
AUTHORIZING THE CITY MANAGER TO FILL THE EXECUTIVE MANAGEMENT
FUNCTIONS OVER THE RECREATION & COMMUNITY SERVICES DEPARTMENT
WITHIN THE NEXT TWO TO FOUR MONTHS**

WHEREAS, the City of Suisun City Council has instituted a selective hiring freeze; and

WHEREAS, the City Council must approve the recruiting and the hiring of employees to fill vacancies; and

WHEREAS, the City is working through a transition process with the individual who has been providing part-time management and oversight of the Recreation and Community Services Department, requiring staff to find an alternative method of staffing these functions within the next two to four months; and

WHEREAS, it is essential that the job function of managing the Recreation & Community Services Department is covered, so that service delivery continues.

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby authorizes the City Manager to fill the executive management functions over the Recreation and Community Services Department within the next two to four months.

BE IT FURTHER RESOLVED that if budget augmentation is necessary that requires City Council approval, the City Manager will return to the Council for such approval.

AGENDA TRANSMITTAL

MEETING DATE: February 17, 2015

CITY AGENDA ITEM: Staffing the Suisun City Marina:

- a. Council Adoption of Resolution No. 2015-___: Amending the Salary Resolution No. 2014-83 to Establish the Class of Marina/Waterfront Recreation Supervisor; and
- b. Council Adoption of Resolution No. 2015-___: Council Adoption of Resolution No. 2015-___: Authorizing the Reallocation of the Vacant Marina Supervisor Position to a Marina/Waterfront Recreation Supervisor Position and Authorizing the City Manager to Recruit for and Fill the Position.

FISCAL IMPACT: The Marina Supervisor position has been vacant since December 30, 2014. The position's responsibilities are being covered with part-time Recreation & Community Services Department (R&CS) employees until the full-time position is filled. The FY 2014-15 budget assumes that this position would be filled throughout the fiscal year at the top of the range for Marina Supervisor, which is \$5,560 per month. Staff is requesting that the position to be reallocated to a new class of Marina/Waterfront Recreation Supervisor compensated at the Recreation Supervisor level. The monthly pay range is \$3,388 to \$4,439, which would result in a savings of at least \$7,000 for the remainder of FY 2014-15, as well as an ongoing savings in future fiscal years.

BACKGROUND: Marina Supervisor Gus Barkas retired after 17 years with the City. Staff is recommending that the position be reallocated to a newly created class of Marina/Waterfront Recreation Supervisor, compensated at the same level as Recreation Supervisor, saving the Marina Operations Fund. The Marina Operations Fund used to be subsidized by the Redevelopment Agency, but that is no longer the case. Currently ongoing revenues barely cover ongoing expenditures. Like most City facilities, facility renovations have been deferred due to lack of funding. In addition, the DOF wants to gobble up most of this fund's reserves.

STAFF REPORT: Filling the position full-time is critical to the ongoing operations of the Suisun City Marina. Reallocating the position to a newly created class of Marina/Waterfront Recreation Supervisor, compensated at the same level as a Recreation Supervisor, is consistent with the main programmatic functions of the job. Both the former class of Marina Supervisor and the proposed class are mid-management level positions.

Reallocation of the position as proposed would allow the position to focus on developing, overseeing, and providing a wider array of leisure services to the Waterfront District as funding becomes available, while serving as liaison to Waterfront District groups beyond the Yacht Club and Marina. This position would become more clearly the "point person" for activities supporting the waterfront, our hidden gem.

This action will likewise result in some ongoing cost savings to the Marina Operations Fund, while recognizing that some maintenance-related functions may need to be shifted to Public Works.

RECOMMENDATION: It is recommended that the City Council adopt:

1. Resolution No. 2015-___: Amending the Salary Resolution No. 2014-83 to Establish the Class of Marina/Waterfront Recreation Supervisor; and
2. Resolution No. 2015-___: Authorizing the Reallocation of the Vacant Marina Supervisor Position to a Marina/Waterfront Recreation Supervisor Position and Authorizing the City Manager to Recruit for and Fill the Position.

RESOLUTION NO. 2014-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
AMENDING THE SALARY RESOLUTION NO. 2014-83 TO ESTABLISH
THE CLASS OF MARINA/WATERFRONT RECREATION SUPERVISOR**

WHEREAS, the Marina Supervisor position has been vacant since December 30, 2014;
and

WHEREAS, filling the position full-time is critical to the ongoing operations of the
Suisun City Marina; and

WHEREAS, reallocating the position to a newly created class of Marina/Waterfront

with the main programmatic functions of the job; and

WHEREAS, reallocation of the position as proposed would allow the position to focus on
developing, overseeing, and providing a wider array of leisure services to the Waterfront District
as funding becomes available, while serving as liaison to Waterfront District groups beyond the
Yacht Club and Marina.

NOW, THEREFORE, BE IT RESOLVED by the City Council of City of Suisun City that the
consolidated Salary Resolution, attached as Exhibit A, shall be and is hereby adopted and, and shall
remain in effect unless or until it is amended by Resolution of the City Council of the City of Suisun City.
All previously adopted Resolutions that may be in conflict with this Resolution are hereby rescinded.

BE IT FURTHER RESOLVED that the amounts indicated as monthly compensation are for
comparison purposes only. The hourly compensation amounts indicated shall be the basis for
compensation for all job classes listed in Exhibit A. Temporary employees may be compensated at the
hourly rate for any applicable job class listed in Exhibit A.

RESOLUTION NO. 2015 - ____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
AUTHORIZING THE REALLOCATION OF THE VACANT MARINA SUPERVISOR
POSITION TO A MARINA/WATERFRONT RECREATION SUPERVISOR POSITION
AND AUTHORIZING THE CITY MANAGER TO RECRUIT FOR
AND FILL THE POSITION**

WHEREAS, the City of Suisun City Council has instituted a selective hiring freeze; and

WHEREAS, the City Council must approve new recruitments and authorize the hiring of new employees; and

WHEREAS, a full-time Marina Waterfront Recreation Supervisor position is essential to the Suisun City Marina operations; and

WHEREAS, the Marina Operations Fund used to be subsidized by the Redevelopment Agency, but that is no longer the case. Ongoing revenues barely cover ongoing expenditures, and long-term facility maintenance has been deferred due to lack of resources; and

WHEREAS, reallocating the Marina Supervisor position to the Marina Waterfront Recreation Supervisor would not only provide an ongoing cost saving to the Marina Operations Fund, but also it would be consistent with the duties of the new job class.

NOW, THEREFORE, BE IT RESOLVED that the City Council hereby authorizes the reallocation of the vacant Marina Supervisor position to a Marina/Waterfront Recreation Supervisor position, and authorizes the City Manager to recruit for and fill the position.

PASSED AND ADOPTED by the City Council of the City of Suisun City at a regular meeting thereof held on the 17th day of February 2015 by the following vote:

CITY AGENDA ITEM: Council Adoption of Resolution No. 2015-__: Authorizing the City Manager to Execute a Professional Services Agreement on the City's Behalf with West Coast Code Consultants, Inc. for Contract City Inspector Services.

FISCAL IMPACT: This professional services contract would be funded by using the salary savings in the Building & Safety Division from the vacant City Inspector position. No budget increase is necessary. Contract amount would not to exceed a total of \$30,000 for FY 2014-15.

BACKGROUND: Approximately two years ago, the City Inspector position became vacant due to an employee injury. No other members of the City staff are sufficiently certified to fill in for this position. Staff has found it essential to have a certified city inspector available to provide the City with important building inspection services. For most of the past two years a retired inspector has filled this part-time need. He has moved on to another job and it is necessary to fill the position with a contract inspector.

STAFF REPORT: Staff believes that the hiring of a contract City Inspector is in the best benefit of the City. This position will augment the Senior Building Inspector's position and will fill in for him when he is absent. The choice in who to use as an inspector depends heavily on who is available in our area with the necessary skills. West Coast Code Consultants, Inc., (WC³) is able to provide an inspector who is recently retired, has the necessary skills, and willing to work the part time hours needed by the City.

WC³ is proposing to provide an Inspector Level III for \$85/hour. This rate is appropriate when compared to other firms that provide the same service. If they had a candidate available Interwest Consulting Group would provide the same level of service at the same rate of \$85/hour and Coastland Civil Engineering lists the rate of a Senior Inspector at \$125/hour.

Michael Zimmerman of WC³ will be designated as the City Inspector and will occupy an office in City Hall. The amount and use of his time will be solely at the City's discretion. The expected use is two to three 6 hour days per week up to a maximum of \$30,000 for the current fiscal year. The City is free to terminate the agreement at any time with 30 days' notice.

RECOMMENDATION: It is recommended that the City Council adopt Council Resolution No. 2015-__: Authorizing the City Manager to Execute a Professional Services Agreement on the City's Behalf with West Coast Code Consultants, Inc. for Contract City Inspector Services.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
AUTHORIZING THE CITY MANAGER TO EXECUTE A PROFESSIONAL
SERVICES AGREEMENT ON THE CITY'S BEHALF WITH WEST COAST CODE
CONSULTANTS, INC. FOR CONTRACT CITY INSPECTOR SERVICES**

WHEREAS, the City Inspector position became vacant approximately two years ago; and

WHEREAS, it is essential to the City to have a certified City Building Inspector; and

WHEREAS, the part-time nature of this need is best filled by a contract Building Inspector;
and

WHEREAS, City staff has interviewed three consulting firms who provide building
inspection services; and

WHEREAS, West Coast Code Consultants, Inc., a California Corporation was selected as
the best qualified firm for the City.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Suisun
City authorizes the City Manager to negotiate and execute a Professional Services Agreement on
behalf of the City with West Coast Code Consultants, Inc., a California Corporation, for contract
City Building Inspector services terminating June 30, 2015, for a not to exceed amount of \$30,000,

AGENDA TRANSMITTAL

MEETING DATE: February 17, 2015

CITY AGENDA ITEM: Council Adoption of Resolution No. 2015-__: Supporting the Travis Community Consortium's (TCC) Mission to Eliminate or Significantly Reduce Sequestration Due to Its Fiscal Effects on Travis Air Force Base.

FISCAL IMPACT: There would be no impact to the General Fund.

BACKGROUND: On February 3, 2015, the City Council directed staff to place an item on the February 17, 2015 agenda that would allow the City Council to approve that a letter be sent to Congress to support the Travis Community Consortium's (TCC) efforts to minimize the effect of federal budget sequestration on Travis Air Force Base. The base is a crucial asset to the local community and the nation. It provides not only military and civilian employment, but it also acts as an important hub for the transportation of military equipment, goods, and troops.

STAFF REPORT: The TCC is comprised of local governments, community organizations, and for-profit corporations who collectively support the interests of Travis Air Force Base (TAFB). It has come to Council's attention that the TCC is concerned with Congressional sequestration and how it negatively affects TAFB. In an effort to support TAFB, the TCC has drafted a letter to the 114th Congress that urgently requests that they work towards the elimination or significant reduction of sequestration thereby reducing its negative effect on TAFB.

RECOMMENDATION: If the draft letter addresses the City Council's interests, it would be appropriate for the City Council to adopt Resolution No. 2015-__: Supporting the Travis Community Consortium's (TCC) Mission to Eliminate or Significantly Reduce Sequestration Due to Its Fiscal Effects on Travis Air Force Base.

CITY OF SUISUN CITY

701 Civic Center Blvd.
Suisun City, California 94585

Incorporated October 9, 1868

February XX, 2015

The Honorable <Name>
United States Senate
<Address> Dirksen Senate Office Building
Washington, D.C. 20510

Dear Senator <Name>:

As leaders of the Travis Community Consortium (TCC), we are writing to ask that you advocate for changes to the upcoming Department of Defense budgets to end sequestration and budgetary stability. The TCC is comprised of local governments, community organizations, and for-profit corporations, which collectively support the interests of Travis Air Force Base. Given the perilous and uncertain threats facing the United States and our allies in the Middle East and around the globe, we believe now is the wrong time to downsize our military.

Since the TCC was established in 2002, we have met with congressional and military leaders on Capitol Hill and in the Pentagon. We understand at present there are budget constraints on the Department of Defense, which will worsen if sequestration returns in the Fiscal Year 2016 budget and beyond. Our military forces cannot withstand another round of funding cuts and still continue to meet all mission requirements.

The TCC is writing to register our concern that the consequences of sequestration will deeply compromise our military's readiness and ability to defend the homeland. If these reduced budgets continue, the military services will lack the funds to properly train and equip the forces needed to carry out missions successfully. It is clear that the current low funding levels mandate the military services and make choices that increase risks to our men and women in uniform. As a nation, we are not prepared to lose on the battlefield.

We ask that you correct this situation as soon as possible. As the 114th Congress begins work on the budget and appropriations process for FY 2016, please take the necessary actions to eliminate or significantly mitigate sequestration. It is clear that the sequester mechanism is devastating our military and doing irreparable harm to the men and women serving our country. Past cuts have also greatly impacted our local economy. We believe that additional cuts will result in mission

failure for our bases, as well as our communities. Continued degradation of our military readiness impairs the morale of our entire military.

You have the wherewithal to correct the current situation. We understand the need to reduce spending but it must not come at the expense of our armed forces ability to fight and defend this nation, especially at this critical point in our history. We appeal to you to work with all your congressional colleagues to find solutions that protect our national defense.

We appreciate your immediate attention to this most crucial matter and look forward to continuing work with you in defense of this great nation.

AGENDA TRANSMITTAL

MEETING DATE: February 17, 2015

JOINT AGENDA ITEM: Acceptance of the Investment Report for the Quarter Ending December 31, 2014.

FISCAL IMPACT: None as this item is for information only.

BACKGROUND: Each quarter it is necessary to produce an Investment Report, showing how all City, Housing Authority, and Suisun-Solano Water Authority's available cash is invested, in terms of the type of investment, what institution it is invested in, and current value and interest earnings.

STAFF REPORT: The total cash and investments (par amount) equaled \$33,854,404 for the period ending December 31, 2014.

In terms of return on our investment, the current yield at market is 0.711%. This compares very favorably with the LAIF return of only 0.25% for the quarter. As can be seen in the Pie Chart (Attachment 1), most of the cash is invested in federally insured CD's, US Treasuries or Agency Notes, all of which generate higher yields.

Due to the refunding of all the Redevelopment Agency Tax Allocation Bonds, the previous debt service reserve balances were applied to redeem the bonds. As of December 31, 2014, these accounts have zero balances.

RECOMMENDATION: It is recommended that the Council/Authority accept the Second Quarter Financial Officer's Investment Report.

AGENDA TRANSMITTAL

MEETING DATE: February 17, 2014

SUCCESSOR AGENCY AGENDA ITEM: Receiving and Accepting a Recognized Obligation Payment Schedule 14/15A (ROPS) for the Period of July through December 2014.

FISCAL IMPACT: None. All obligations listed will be included in the FY 2014-15 Annual Budget.

BACKGROUND: A component of the dissolution of the former redevelopment agency requires the Successor Agency prepare a ROPS and submit it to the Oversight Board every six months.

The following provides an overview of deadlines and process associated with the ROPS:

ROPS Submittal Deadline – March 3, 2014, is the deadline to submit a ROPS covering the period of July through December 2014.

ROPS Submittal/Approval Process – The Successor Agency must submit the ROPS to the County Auditor-Controller, County Administrative Officer, and the State Department of Finance (DOF) at the same time as the ROPS is submitted to the Oversight Board.

ROPS Form – The DOF has provided the form for this ROPS period.

Penalties – A penalty may be levied on the City of \$10,000 per day for each day the ROPS is delinquent. Failure to submit the ROPS within 10 days of the deadline will result in a 25% reduction of the Successor Agency's maximum administrative cost allowance for the period covered by the delinquent ROPS.

STAFF REPORT: Generally, the current ROPS includes line items that were listed on previously adopted ROPS, but contain updated figures to reflect the fiscal period between July and December 2014.

Staff recommends that the Successor Agency receive and accept the amended ROPS.

RECOMMENDATION: It is recommended that the Successor Agency receive and accept a Recognized Obligation Payment Schedule (ROPS) for the Period of July to December 2013.

1. Introduction

The purpose of this study is to investigate the effects of the implementation of the new curriculum on the learning outcomes of students in the field of mathematics. The study is based on a sample of 100 students from a secondary school in the city of Istanbul. The data were collected through a series of tests and questionnaires administered at the beginning and end of the school year. The results of the study show that the implementation of the new curriculum has led to a significant improvement in the learning outcomes of the students. This is particularly evident in the areas of problem-solving and critical thinking. The study also found that the students who had been exposed to the new curriculum for a longer period of time showed higher levels of achievement than those who had not. This suggests that the new curriculum is effective in promoting learning and understanding in mathematics.

AGENDA TRANSMITTAL

MEETING DATE: February 17, 2015

CITY AGENDA ITEM: HEARING: Adoption of Council Resolution No. 2015-__: Placing Liens for Unpaid Waste Collection Service Charges on Certain Lands Situated in the City of Suisun City, County of Solano, State of California.

FISCAL IMPACT: Solano Garbage is requesting that the City Council place liens on 272 delinquent solid waste accounts representing approximately \$54,070.52 in uncollected solid waste collection service charges. The City's General Fund will receive twenty-dollars per lien and 1.0 percent of the total levy amount to be used as the recording fee and to offset the administrative costs associated with the lien and levy process. Through the lien and levy process, the City will collect on outstanding franchise fees totaling 10.0 percent of the uncollected solid waste service charges when the money actually is received.

BACKGROUND: Solano Garbage provides solid waste collection service for properties located in the City of Suisun City. The Suisun City Code (SCC) Section 8.08.015 requires subscribers to pay the collection charge directly to Solano Garbage. In the event that a customer does not pay the collection charges, Solano Garbage must prepare delinquent notices to notify each customer that the account is delinquent and could be subject to a lien/levy process whereby charges would be recorded against the property.

Solano Garbage began actively pursuing collection of delinquent accounts in December 2001. Solano Garbage will request hearings three times per year in order for the Suisun City Council to consider enforcing the lien/levy process for delinquent waste charges.

STAFF REPORT: Solano Garbage customers were compared with the owners of record to the parcel information database obtained from Solano County property records. Notification letters were mailed to all known property owners advising them of the lien and levy process. The letters informed the property owners that they could present their reasons for disputing the waste collection charges by either attending the hearing on February 17, 2015, or by sending letters to the Council prior to the hearing.

Solano Garbage is asking that the City enforce SCC Section 8.08.170 by placing a special assessment/levying a lien on the properties that have delinquent charges. Solano Garbage will verify accounts for payments prior to recording the special assessments.

REVIEWED BY:

Ronald C. Anderson, Jr., Assistant City Manager
Suzanne Bragdon, City Manager

STAFF RECOMMENDATION: It is recommended that the City Council:

1. Conduct a Hearing on the proposed liens; and
2. Adopt Resolution No. 2015-___: Placing Liens for Unpaid Waste Collection Service Charges on Certain Lands Situated in the City of Suisun City, County of Solano, State of California.

ATTACHMENTS:

1. Resolution No. 2015-___: Placing Liens for Unpaid Waste Collection Service Charges on Certain Lands Situated in the City of Suisun City, County of Solano, State of California.
2. Exhibit A provides a listing of delinquent accounts, as compiled by Solano Garbage, and it will be updated and made available to the City Council in advance of the meeting.

RESOLUTION NO. 2015-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
PLACING LIENS FOR UNPAID WASTE COLLECTION SERVICE CHARGES
ON CERTAIN LANDS SITUATED IN THE CITY OF SUISUN CITY,
COUNTY OF SOLANO, STATE OF CALIFORNIA**

WHEREAS, pursuant to the Suisun City Code (SCC) Section 8.08.015 owners of all occupied premises must subscribe to and pay for weekly waste collection service; and

WHEREAS, the premises located in the City of Suisun City, County of Solano, State of California, and described in Exhibit A attached hereto and by this reference incorporated herein, were provided with waste collection service as required by the SCMC Section 8.08.015; and

WHEREAS, pursuant to the provisions of SCC Section 8.08.015, all required notices were directed to owners of said properties and said owners failed to make payment for waste collection services as required; and

WHEREAS, as a result thereof, the City of Suisun City has incurred charges for delinquent waste collection charges and administrative costs, which amounts remain unpaid.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Suisun City that pursuant to SCC Section 8.08.170, the City Council does hereby lien said premises, in the amounts applicable to each specific premise as identified in Exhibit A attached hereto and incorporated herein by this reference.

BE IT FURTHER RESOLVED that Exhibit A may be amended to delete any enumerated waste collection service charges and administrative costs paid before liens authorized hereby are forwarded to the County Recorder of Solano County, California.

BE IT FURTHER RESOLVED that the City Clerk is hereby directed to record this Resolution, together with Exhibit A as may be amended, with the Office of the County Recorder of Solano County, California.

BE IT FURTHER RESOLVED that the City Manager of the City of Suisun City is authorized to take such further actions as are necessary or appropriate to implement this Resolution and is also authorized to execute any other document(s) that may be necessary or appropriate to process or release said liens.

PASSED AND ADOPTED at a Regular Meeting of the City Council of the City of Suisun City duly held on Tuesday, the 17th day of February 2015, by the following vote:

AYES:	Council Members	_____
NOES:	Council Members	_____

MEETING DATE: February 17, 2015

CITY COUNCIL AGENDA ITEM: Discussion and Direction: Update of the Specific Plan Vision for the Downtown Waterfront Specific Plan.

FISCAL IMPACT: The Downtown Waterfront Specific Plan Update project is fully funded through a \$163,000 grant. The City's required match for this project will be \$21,118 (or 11.47%). Staff time to administer the grant and manage the work of outside consultants is being used to meet the match requirement.

BACKGROUND: The Downtown Waterfront Specific Plan (DWSP) was last comprehensively amended in 1999 after initially being referenced as an implementation measure of the 1979 General Plan and subsequently being created in 1983. The 1979 General Plan recognized the need for special treatment of the Historic Downtown and Waterfront.

The DWSP currently provides more detailed level of planning for the area generally south of Highway 12, Hill Slough to the east, the Union Pacific Railroad to the west and Peytonia Ecological Reserve and Pierce Island to the south. The area to be included in the updated Specific Plan is depicted in map provided as Attachment 1. The expanded area of the DWSP consists of the area north of Highway 12. The boundary of the updated DWSP will be consistent with the Suisun City Downtown Waterfront Priority Development Area, which enables the City to leverage the asset of the Suisun-Fairfield Train Depot in its land use planning of this broader area, and to create an entrance from the north to the Waterfront District south of Highway 12, and may provide for enhanced funding opportunities in light of the dissolution of the redevelopment agency.

The update of the DWSP must be completed and adopted by May 2016. Between now and the completion date, major decision points to be made by the Council include:

- Vision Statement. (March 2015).
- Alternatives Analysis. (March/April 2015).
- Draft Specific Plan Review and Comment. (Summer 2015-Early 2016).
- Final Specific Plan. (Spring 2016 with Completion by May 2016).

The purpose of this item is for the Council to consider and discuss as a policy body the future planning and development interests of this area while considering the feedback received to date from the public and Planning Commission. From this feedback, a vision statement for the Downtown Waterfront Specific Plan will be developed and brought back for the Council's further consideration in March.

STAFF REPORT: The Council approved proceeding with the process to update the DWSP at its meeting on February 4, 2014. At that meeting, Council expressed its desire to retain the DWSP's current core structure. However, there is a need for clarification and further detailed planning in the DWSP as development has evolved and the area encompassing the DWSP area has been expanded. Another goal of the update is to increase both the function and user-friendliness of the DWSP so it's not only used as a planning tool, but an economic development tool as well.

One of the first key products from this process is the development of a vision for the expanded DWSP area. A vision is a description of the desired future state. The guiding principles are the values employed in coming up with the policies and actions to achieve that desired future state. The General Plan Update has a series of guiding principles, which the DWSP must be consistent with and serve as a "foundation" to the process of developing the vision.

To facilitate discussion that will ultimately allow the development of a vision statement for the updated DWSP, this report is organized as follows:

- Examples of Guiding Principles of the Existing Specific Plan.
- Guiding Principles of the General Plan Update.
- Survey Questions to Facilitate Discussion.
- Planning Commission and Public Feedback Received To Date.

As indicated previously, a proposed vision statement for the updated DWSP, that will take into account all of the above, will be presented to the Council for further consideration in March, 2015.

Examples of Guiding Principles of the Existing Specific Plan

The current amended DWSP is now 16 years old. As such, many of its guiding principles listed have been implemented. In order to provide a frame of reference regarding the type of feedback needed to develop an underlying vision for the updated DWSP, examples of guiding principles included in the current DWSP are provided below:

1. *The entire Downtown needs to be focused on the Suisun Channel, which is its major and central feature.*
2. *The northern end of the channel must be expanded to accommodate a marina and create a stronger image of the Waterfront.*
3. *The Waterfront should maintain its extraordinary mix of natural wetlands and urban edge.*
4. *The commercial activities of the Downtown should be integrated with an expanded new marina at its northern end and a Town Square at its southern end.*
5. *The existing Sheldon Oil site needs to be redeveloped as the center of the Downtown Commercial District and the Waterfront.*

6. *The area to the east of the channel offers an opportunity for the creation of several new low-density residential neighborhoods.*
7. *The west of the channel offers an opportunity for a medium-density residential neighborhood.*
8. *The Downtown needs a more cohesive street system that allows for a greater distribution of traffic.*
9. *The Downtown needs a cohesive Open Space system that enhances the pedestrian experience of the townscape and the Waterfront.*

These are provided for reference and illustration purposes only; they are not meant to constrain the discussion and direction as we move forward.

Guiding Principles of the General Plan Update

A lot of work went into developing the guiding principles for the General Plan. The more detailed future planning for the updated DWSP must be consistent with the guiding principles of the General Plan. For reference, the guiding principles included the broad areas of:

- Community Character.
- Destination Tourism and Entertainment.
- Downtown including a "...vibrant, pedestrian-scaled commercial and entertainment center that reflects our community's unique waterfront character..."
- Economic Vitality.
- Infrastructure.
- Public Safety and Emergency Preparedness.
- Spirit of Community.
- Sustainability.
- Transportation.

Attachment 2 provides a copy of the Guiding Principles of the General Plan Update that make-up each of these components. In reviewing these Guiding Principles, a key question to ask is:

How best can each of these components, as appropriate, be developed and realized in the Downtown Specific Plan?

Survey Questions to Facilitate Discussion

A significant amount of public outreach has occurred to date to solicit feedback on the direction development should take in the expanded Specific Plan Area. In addition to the Public Kick-Off/Workshop held at the Harbor Theater on November 13, 2014, staff provided those who attended the workshop with a two-page survey on January 29, 2015. Using this same tool, staff outreached further through Facebook, Nextdoor, and the City's website.

The survey is provided as Attachment 3 to this staff report, and poses questions that Council may likewise wish to consider in preparation for a discussion on the future development goals/vision of the updated DWSP.

Highlights of the two-page "Key Questions in Developing a Consensus Vision – January 20, 2015" include the following questions:

1. How should the City apply the Guiding Principles (noted above in the General Plan Update and expanded more fully as an attachment to this report) to development of the Downtown Waterfront Area? Where, within the Downtown Waterfront Area, should these principles be applied?
2. What are the unique assets of the downtown area, and how can the Downtown Waterfront Area develop in a way that takes better advantage of these unique local assets?
3. How can the City partner with property owners, business owners, and developers to help local businesses expand, attract new businesses, and attract housing (and customer base) that will allow businesses to succeed in the Downtown Waterfront Area?
4. Please think about a place you love to visit or where you really enjoyed living. Are there things that were special about that place that could be developed in the Downtown Waterfront Area? What do the businesses look like? What about the housing?
5. Considering allowable land use, waterfront image, Suisun Channel, Transportation: roadways, rail, water, bicycle, pedestrian, Marina, and parking; are there specific topics within the list above that should receive special attention? Are there important topics that are left out of the list above we should consider?

Planning Commission and Public Feedback Received To Date

The Planning Commission held a workshop on the vision of the Downtown Waterfront Specific Plan at its February 10, 2015 meeting to solicit comments from the public. It was also an opportunity for the Commission to provide input on the vision of the plan update. Comments/questions received at the meeting included:

- The need for more parking and a parking strategy.
- Focus on making the entrance into downtown along Cordelia Road a gateway.
- Provide better signage for identification of the downtown and orientation of visitors.
- Character of buildings should reflect periods of historic character.
- Focus on better technology and making Suisun City a "wired city".
- Improve facades along the West side of Main Street.
- Old Town has old infrastructure that needs to have a plan for upgrade.
- Consider more frequent police patrol.
- Reach out to other cities regarding their approach in addressing the issues of historic buildings in need of retrofit.

- Have a plan to address the homeless issue.
- What tools are in place or are available with the loss of Redevelopment?

Beyond the Planning Commission meeting and as of the release of the City Council agenda packet, the following ideas or responses were found to be provided frequently through the survey and at the initial kick-off meeting held at the Harbor Theater:

- Keep the “small town” feel or character of the downtown area.
- Reface storefronts along Main Street.
- Create a more family-oriented atmosphere.
- Ensure safety in downtown area.
- What is the plan for vacant and/or underutilized lots throughout downtown?
- Making downtown a destination.
- Provide for accessible parking.
- Assure that new construction and historic buildings blend.
- Allow for mixed use and a mix of uses.
- Maintain and expand public facilities (both buildings and infrastructure).

Attachment 4 provides a more detailed summary of the feedback generated from the November 13, 2014 public workshop held at the Harbor Theater.

As stated above, this information was provided as of release of the agenda packet. If staff receives more information prior to the Council meeting, it will be presented accordingly.

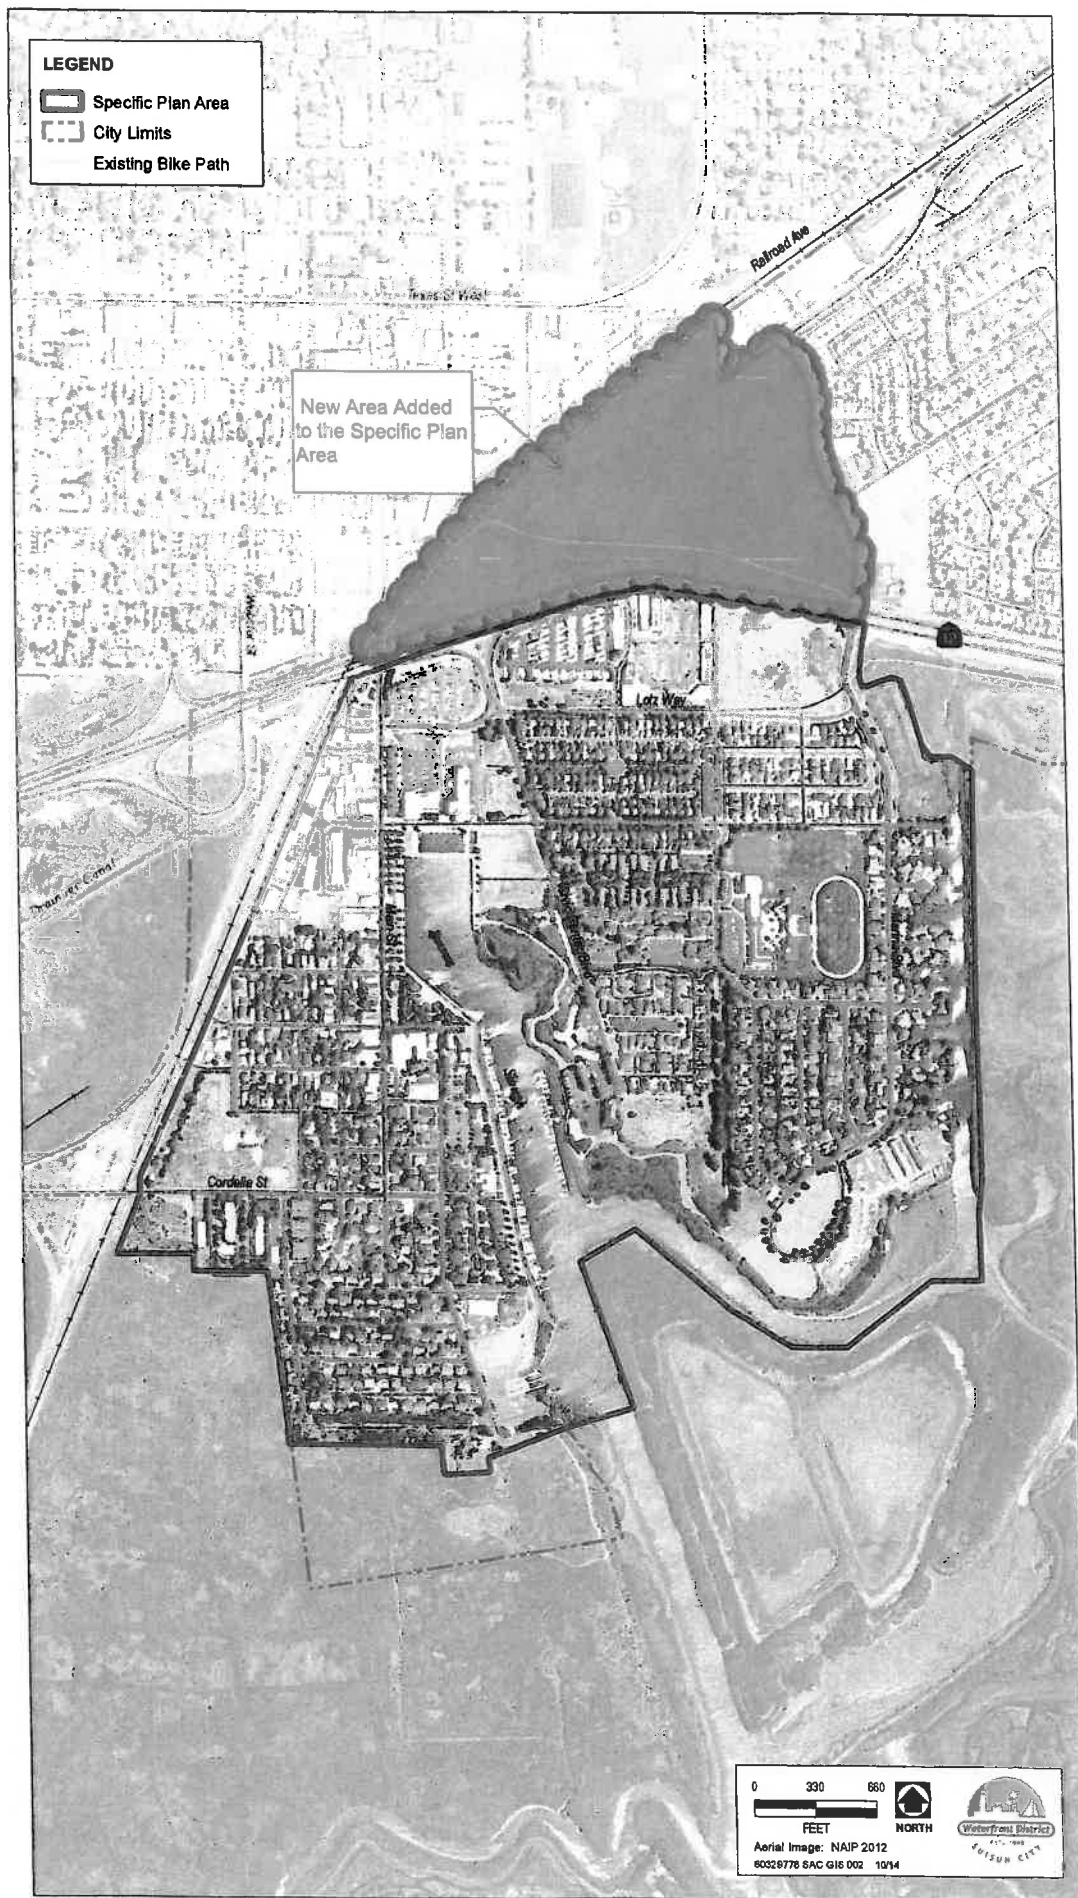

Next Steps

Taking into account all of this information, in addition to any further comments from the public, staff is looking for Council’s interests, ideas, concerns and issues that ultimately need to be considered in preparing an underlying vision for the updated DWSP. Based on this discussion, the consultant and staff will prepare a draft working “vision” for your further review and consideration in March.

STAFF RECOMMENDATION: Provide staff with discussion and direction on specific plan vision for the Updated Downtown Waterfront Specific Plan Update.

Downtown Waterfront Specific Plan Area

GUIDING PRINCIPLES – SUISUN CITY GENERAL PLAN UPDATE
(Alphabetically, since they are not ranked by importance)

COMMUNITY CHARACTER-

Suisun City will strive to enhance the City's authentic, local identity as a vibrant waterfront community:

- Preserve and restore historic resources and utilize design review to ensure compatibility with existing development.
- Focus higher density development and mixed-use projects in areas adjacent to the train station.
- Provide regional leadership by working cooperatively to improve the economy and the quality of life in Solano County.

DESTINATION TOURISM AND ENTERTAINMENT –

Suisun City will encourage the development of uses and protection of resources that attract visitors, enhancing the community as a tourism destination:

- Promote a vibrant downtown that provides both day and nighttime activities to attract visitors.
- Protect and enhance the Suisun Marsh as a natural scenic recreational resource.
- Provide a variety of high-quality passive and active recreation and leisure activities.
- Promote arts and culture in the community, including theaters, galleries, museums, music venues, and other activities.

DOWNTOWN –

Suisun City will continue to develop the downtown as a vibrant, pedestrian-scaled commercial and entertainment center that reflects our community's unique waterfront character:

- Develop the downtown as the social and cultural heart of the community.
- Provide convenient linkages from the train station and other regional connectors to bring patrons to the downtown.
- Ensure safe and efficient walking, biking, driving, and parking in the downtown.
- Strategically develop the Priority Development Area to provide convenient, attractive housing, shopping, services, and employment in the downtown neighborhood.

ECONOMIC VITALITY –

Suisun City will strive for economic vitality, providing jobs, services, revenues, and opportunities:

- Maintain an economic base that is fiscally balanced and provides a wide range of job opportunities.
- Strategically develop vacant, under-utilized, and infill land throughout the city, and especially in the downtown.

- Retain and attract new businesses to support the tax base and provide jobs and services for the community.

INFRASTRUCTURE-

Suisun City will provide quality community services and sound infrastructure:

- Deliver public facilities and services in a timely and cost effective manner.
- Ensure availability of water and sewer services to accommodate the City's continued growth and prosperity.
- Plan for the design and cost of future infrastructure to serve the community as it grows.

PUBLIC SAFETY AND EMERGENCY PREPAREDNESS-

Suisun City will strive to protect the community and minimize vulnerability to disasters:

- Foster neighborhood safety through sensitive community planning practices, fire safety measures, building codes/seismic requirements, and effective code enforcement.
- Protect life and property through reliable law enforcement and fire protection, as well as active, sensitive service to members of the community in need.
- Minimize the City's vulnerability to natural and manmade disasters and strengthen the City's emergency response systems.

SPIRIT OF COMMUNITY-

Suisun City will foster an inclusive, multigenerational community that is economically and ethnically diverse:

- Maintain complete, well-designed, and walkable neighborhoods, with places to gather, nearby services, and multi-modal access to jobs, recreation, and other community and regional services.
- Foster volunteerism and encourage and recognize our service, non-profit, and faith-based organizations and their impact on the community.
- Encourage our community to live, work, and play locally, supporting social and cultural activities, facilities, and programs.
- Provide a full-spectrum of activities and services to meet the needs of the entire community, including youth and seniors.

SUSTAINABILITY-

Suisun City will practice economically, fiscally, and environmentally responsible municipal decision-making to avoid shifting today's costs to future generations:

- Utilize sustainable development and land use practices that provide for today's residents and businesses while preserving choices for the community in the future.
- Encourage a healthy living environment.
- Preserve and enhance natural resources and minimize environmental impacts.

TRANSPORTATION -

Suisun City will provide choices for attractive, convenient transportation:

- Maintain and construct roadway infrastructure as needed.
- Design for active pedestrian and bicycle-friendly streets and public spaces.
- Provide transportation alternatives to the automobile, especially capitalizing on the location of the train station.

Downtown Waterfront Specific Plan Key Questions in Developing a Consensus Vision

January 20, 2015

I. Introduction

The City has embarked on an update to the 1999 Downtown Waterfront Specific Plan to implement the new 2035 Citywide General Plan. In the General Plan, the City has provided the policy framework to encourage development in the Downtown, create new transit-oriented development opportunities around the train station, connect historic and newer sections of the community, and enhance public access to waterways and the Suisun Marsh.

II. Guiding Principles

Guiding Principles were developed by the City Council and used to develop the General Plan. Several are relevant for the Downtown Waterfront Specific Plan and are listed below.

How should the City apply these Guiding Principles in the Downtown Waterfront Area?
Where, within the Downtown Waterfront Area, should these Principles be applied?

Community Character

- Preserve and restore historic resources and use design review to ensure compatibility with existing development.
- Focus higher-density and mixed-use projects in areas adjacent to the train station.

Destination Tourism and Entertainment

- Promote a vibrant Downtown that provides both daytime and nighttime activities to attract visitors.
- Provide a variety of high-quality passive and active recreation and leisure activities.
- Promote arts and culture in the community, including theaters, galleries, museums, music venues, and other activities.

Quality of Community Life

- Provide convenient linkages from the train station and other regional connectors to bring patrons to the Downtown.
- Provide transportation alternatives to the automobile, especially capitalizing on the location of the train station.

Public Safety

- Ensure safe and efficient walking, biking, driving, and parking in the Downtown.

Economic Vitality

- Strategically develop the Downtown Waterfront Area to provide convenient, attractive housing, shopping, services, and employment Downtown.
- Strategically develop vacant, underutilized, infill land... especially in the Downtown.

III. Economic Development

Economic development depends on local assets and advantages. Two of the most important unique assets for Suisun City are the **waterfront setting** and **access to the Capitol Corridor**.

How can the Downtown Waterfront Area develop in a way that takes better advantage of these unique local assets?

IV. Promoting Reinvestment

The City has had many successes in reinvestment and redevelopment. There are further opportunities for community revitalization, which could be promoted by actions by the City, collaborations with other public agencies, and public/private partnerships. Such coordinated efforts can help identify and remove constraints to development, invest in infrastructure and streetscape improvements, identify matching grants for property owners to make façade improvements or other on-site improvements, provide favorable fee structures for infill development, in addition to other strategies.

How can the City partner with property owners, business owners, and developers to help local businesses expand, attract new businesses, and attract housing (and customer base) that will allow businesses to succeed in the Downtown Waterfront Area?

V. Imagine a More Vibrant Downtown Neighborhood

Many of us have lived in, or visited downtowns or other special places with unique character, attractions and amenities, high quality public spaces, and other features.

Please think about a place you love to visit or where you really enjoyed living. Are there things that were special about that place that could be developed in the Downtown Waterfront Area? What do the businesses look like? What about the housing?

VI. Other Downtown Waterfront Specific Plan Topics

The 1999 Downtown Waterfront Specific Plan addressed a range of topics, including:

- Allowable land use
- Waterfront image
- Suisun Channel
- Transportation: roadways, rail, water, bicycle, pedestrian, Marina, and parking
- Community design standards and guidelines
- Project design review and approval process

Are there specific topics within the list above that should receive special attention? Are there important topics that are left out of the list above we should consider?

**2035 General Plan and Downtown Waterfront Specific Plan Update
Community Involvement Meeting
November 13, 2014 Suisun Harbor Theater**

General Plan

34 people attended the community meeting as well as two Council members and a Planning Commissioner.

Staff provided those in attendance a presentation on the General Plan Update summarizing the outreach efforts to-date including: (1) Development of Guiding Principles, (2) Preferred Land Use Alternative; and (3) Notice of Preparation for the Environmental Impact Report (EIR). A thorough explanation was provided regarding the current 45-day public review period for the Draft General Plan EIR.

- **Timeline for General Plan to start happening?** Staff responded that the General Plan looks at a horizon year of 2035, but would take effect following Council adoption of the Final General Plan and EIR.
- **What is City doing to populate the Marina Shopping Center?** Staff has worked closely with the property owner and been willing to help any way possible.
- **Can “Jobs/Housing Balance” be achieved in the city?** City needs to focus on its strengths.

Specific Plan

Staff communicated this meeting was a “kick-off” to the process of updating the Downtown Waterfront Specific Plan. Staff also communicated that the current plan has a good base and that the focus would be to limit changes to technical aspects of the plan. Staff did point out that the update is grant funded and that there are targets of 920 Jobs and 1,040 housing units in the PDA by 2040.

- Focus on maintaining community character.
- Neighborhood vitality – challenge to maintain with too much growth.
- Discussion of older buildings facing Main Street. Are they habitable? What can be done with them? Three options seemed to surface:
 - Could building be retrofitted?
 - Could the facades/fronts be saved with new construction behind?
 - Could elements (e.g. bricks) be saved and reused in a new building?
- Address health activities.
 - Limit on smoke shops/liquor stores.
 - Look at anti-smoking ordinance regarding parks.
- Focus on circulation plan (or safety services) during events (4th of July is best example) to provide adequate exits out of downtown.
- **What is the status of the Main Street West DDA?** The amendment to the DDA is being reviewed by the Department of Finance. If approved, their project will move forward.
- **How much control on Specific Plan due to grant funding? Are there mandates for number of units and affordability?** The grant provides targets for both housing units and jobs. Staff conducted a thorough analysis prior to accepting the grant to make sure the City would be able to retain the historic small-town character.

- Entries into downtown need to be attractive and well – landscaped. The General Plan does a good job of setting the stage for focusing on this.
- Development near railroad tracks brings issues like noise and vibration.
- Update design guidelines to maintain historic character.
- Downtown is a strength as a restaurant destination.
- Better access to the Marina Shopping Center. Caltrans will not allow a left turn from Highway 12, but there might be other things the city can look at to improve this.
- Planning Commission approval of all projects in the Specific Plan including design review. This will be a policy decision of the City Council.
- Has the city considered a pedestrian bridge from Marina/Railroad Avenue to Armijo area.
- Email responses to suggestions.
- What about Suisun Pacific Sign at the southeast corner of Marina and Highway 12?

Dot Exercise

Staff introduced a “dot exercise” similar to the exercise that was completed at the budget workshop held in March. Each participant was given three dots for a “Waterfront/PDA” poster and a “Public Investment” poster. The following results were tabulated at the conclusion:

Retail

- Specialty Food -7 dots
- Fine Dining – 7 dots
- Neighborhood Market – 2 dots

Destination Tourism/Entertainment

- Hotel / Full Service with meeting and Conference Facilities – 6 dots
- Wine Tasting – 6 dots
- Visitor / Truck Stop – Full Service – 4 dots

Other Non-Retail

- Single-Family-Low Density – 6 dots
- Condos – 4 dots
- Senior Housing – 2 dots
- Medical-Office – 2 dots

As a follow-up to the meeting, staff has assembled a mailing list of those who provided contact information and will make sure to keep them informed by providing updates as the projects progress forward.

AGENDA TRANSMITTAL

MEETING DATE: February 17, 2015

CITY AGENDA ITEM: PUBLIC HEARING: Walmart Annexation into Community Facilities District No. 2:

1. Council Adoption of Resolution No. 2015-__: Submitting Annexation of Territory and Levy of Special Taxes to Qualified Electors; and
2. Council Adoption of Resolution No. 2015-__: Declaring Results of Special Annexation Election, Determining Validity of Prior Proceedings, and Directing Recording of Amended Notice of Special Tax Lien.

FISCAL IMPACT: Walmart would pay \$145,517.10 per year toward costs that would otherwise have to be absorbed by the General Fund for public safety services, as well as \$23,328.50 for Public Works maintenance costs related to sound wall, landscaping, and drainage surrounding the Walmart site.

BACKGROUND: As part of the Walmart conditions of approval, the developer is required to mitigate the impact on City Services due to the new development. In accordance with the development conditions imposed on development project, the landowner is annexing to CFD No. 2 to offset municipal service costs for police, fire, and paramedics. In addition to being annexed to the Community Facilities District No. 2 (Municipal Services), Walmart would have a special tax assessment for maintenance of areas around the new development. This will be accomplished through the formation of Tax Zone No. 6. The Tax Zone No. 6 area is defined as the areas along the west side of Petersen Road include the sound wall and along the west side of Walters Road to Highway 12 from the center of the median west to the parcel.

STAFF REPORT: The proposed Walmart annexation into Community Facilities District No. 2 (CFD No. 2) meets the fiscal criteria as established by Resolution No. 2005-69 Cost Recovery Policy for New Development, dated October 4, 2005. The Community Facilities District is intended to offset Municipal Service costs, including administrative costs, thereby reducing the negative fiscal impact of new development on the City's General Fund. The creation of Tax Zone No. 6 is also intended to offset Public Works Maintenance costs, thereby reducing the negative fiscal impact of the new development on the Public Works Maintenance budgets.

The first step in the legislative process for annexation is for Council to pass a Resolution on Intention. This occurred at the January 6, 2015 meeting.

The second step would be to submit the annexation of territory to CFD No. 2 to the qualified voters by adopting Adoption of Resolution No. 2015-__: Submitting Annexation of Territory and Levy of Special Taxes to Qualified Electors.

PREPARED BY:
REVIEWED BY:
APPROVED BY:

Amanda Dum, Management Analyst I
 Daniel Kasperson, Building & Public Works Director
 Suzanne Bragdon, City Manager

The third step in the legislative process would be to hold a Public Hearing calling the election (please see Attachment 1), to declare the results, and to direct staff to record the Amended Notice of Special Tax Lien. This step would be accomplished by adopting Resolution No. 2015-__: Declaring Results of Special Annexation Election, Determining Validity of Prior Proceedings, and Directing Recording of Amended Notice of Special Tax Lien.

The forth step would be for the City Council to adopt an ordinance levying the special tax for this annexation. This is a deviation from past practice that the attorneys that staff has been working with now recommend that the City take. This ordinance may be adopted any time before the end of June. Staff anticipates bringing the ordinance to Council in May after certain details are worked out with the attorneys involved.

STAFF RECOMMENDATION: It is recommended that the City Council:

1. Call for written protests to be submitted to the City Clerk; and
2. Open the public hearing; and
3. Receive staff's presentation; and
4. Receive public testimony; and
5. Close the Public Hearing; and
6. Allow Council discussion; and
7. Adopt Resolution No. 2015-__: Submitting Annexation of Territory and Levy of Special Taxes to Qualified Electors; and
8. Have City Clerk open the ballot and announce the results; and
9. Adopt Resolution No. 2015-__: Declaring Results of Special Annexation Election, Determining Validity of Prior Proceedings, and Directing Recording of Amended Notice of Special Tax Lien.

ATTACHMENTS:

1. Order of Proceedings for Hearings and Actions.
2. Resolution No. 2015-__: Submitting Annexation of Territory and Levy of Special Taxes to Qualified Electors.
3. Resolution No. 2015-__: Declaring Results of Special Annexation Election, Determining Validity of Prior Proceedings, and Directing Recording of Amended Notice of Special Tax Lien.

**City of Suisun City
Community Facilities District No. 2
(Municipal Services)**

ORDER OF PROCEEDINGS FOR HEARINGS AND ACTIONS

The City Clerk calls the annexation-related items together, then:

1. The Mayor makes the following opening remarks:

"These are the public hearings in this Council's proceedings for annexation of territory to the City's Community Facilities District No. 2 (Municipal Services). The hearings are to inquire into the annexation of territory and the levy of special taxes in the annexation territory for the purpose of financing additional municipal services.

"Does anyone wish to file written protests? If so, they must be filed with the City Clerk now."

*[Pause to see if there are any protests.]*¹

"The hearings are now officially opened. We will first have presentations by staff about the proposed annexation. After that, we will receive comments and questions and any oral protests from any interested persons. When all comments have been received the hearings will be closed."

2. Staff and consultants make presentations.
3. Time for comments, questions and protests from audience.

Note for City Council and Staff: "All interested persons" are entitled to be heard.
--

4. Close hearings.
5. The City Council may then ask questions and discuss the proposed annexation.
6. When discussion is through, the Mayor states: "We will now consider and adopt the following resolution calling for a property owner vote on the issues of the proposed annexation and the levy of special taxes in the annexation territory".

¹ **Note for City Council and Staff:** The annexation must stop for 1 year as a result of written protests by (A) 50 percent or more of the registered voters residing in the CFD or 6 registered voters residing in the CFD, whichever is greater, (B) 50 percent or more of the registered voters residing in the annexation territory or 6 registered voters residing in the annexation territory, whichever is greater, (C) the owners of 50 percent or more of the area of land in the CFD, or (D) the owners of 50 percent or more of the area of land in the annexation territory.

Practical Note: Protests are unlikely; there is only one property owner, and it has petitioned for the proposed annexation.

**A RESOLUTION SUBMITTING
ANNEXATION OF TERRITORY AND
LEVY OF SPECIAL TAXES TO QUALIFIED ELECTORS**

7. *Following adoption of the Resolution, the Mayor announces:*

"In anticipation of the election, the ballots have been completed by the property owners in the annexation territory and submitted to the City Clerk. At this time, I ask the City Clerk to open the ballot(s) and announce the results of the election."

[Pause for opening of ballot(s).]

8. *The City Clerk opens the ballot(s) and announces the results of the election, and completes one copy of the Canvass and Statement of Result of Election.*

9. *The Mayor then announces:*

"The results of the election being unanimously in favor of the proposed annexation and the levy of the special taxes, we will now proceed with the final actions for the District."

10. *The City Council considers and adopts the following resolution:*

**A RESOLUTION DECLARING RESULTS OF SPECIAL ANNEXATION ELECTION, DETERMINING
VALIDITY OF PRIOR PROCEEDINGS, AND DIRECTING RECORDING OF AMENDED NOTICE OF
SPECIAL TAX LIEN**

END OF ITEM

RESOLUTION NO. 2015-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
SUBMITTING ANNEXATION OF TERRITORY AND
LEVY OF SPECIAL TAXES TO QUALIFIED ELECTORS**

**CITY OF SUISUN CITY
Community Facilities District No. 2
(Municipal Services)**

Annexation No. 9 (Parcel Map PM 06-02 Parcel 2--Tax Zone No. 6)

WHEREAS, this Council, acting as legislative body of the City of Suisun City's Community Facilities District No. 2 (Municipal Services) (the "CFD") has adopted "A Resolution of Intention to Annex Territory to Community Facilities District and to Authorize the Levy of Special Taxes Therein" (the "Resolution of Intention to Annex") stating its intention to annex certain territory (the "Annexation Territory") to the CFD pursuant to the Mello Roos Community Facilities Act of 1982, Sections 53311 and following of the California Government Code (the "Act"); and

WHEREAS, a copy of the Resolution of Intention to Annex, incorporating a description and map of the proposed boundaries of the Annexation Territory and stating the services (the "Services") to be provided and the rate and method of apportionment of the special tax (the "Special Taxes") to be levied within the Annexation Territory to pay for the Services, is on file with the City Clerk and the provisions thereof are fully incorporated herein by this reference as if fully set forth herein; and

WHEREAS, on the date hereof, this Council held a noticed public hearing as required by the Act and the Resolution of Intention to Annex relative to the proposed annexation of the Annexation Territory to the CFD and the levy of special taxes in the Annexation Territory; and

WHEREAS, at such hearing all interested persons desiring to be heard on all matters pertaining to the annexation of the Annexation Territory to the CFD and the levy of the Special Taxes within the Annexation Territory were heard and a full and fair hearing was held; and

WHEREAS, prior to the time fixed for the hearing, written protests had not been filed against the proposed annexation of the Annexation Territory to the CFD by (i) 50% of more of the registered voters, or six registered voters, whichever is more, residing in the existing CFD, or (ii) 50% or more of the registered voters, or six registered voters, whichever is more, residing in the Annexation Territory, (iii) owners of one-half or more of the area of land in the CFD not exempt from special taxes or (iv) owners of one-half or more of the area of land in the Annexation Territory not exempt from special taxes; and

WHEREAS, the Annexation Map of the captioned annexation has been filed with the City Clerk and recorded in the Solano County Recorder's Office on January 16, 2015, in Book 25 at Page 43 of Maps of Assessment and Community Facilities Districts, which map shows the Annexation Territory.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Suisun City orders the following:

1. Prior Proceedings. All prior proceedings taken by this Council with respect to the CFD and the proposed annexation of the Annexation Territory thereto have been duly considered and are hereby determined to be valid and in conformity with the Act, and the CFD has been validly established pursuant to the Act.

2. Prior Resolutions. The provisions of the Resolution of Intention to Annex and Resolution No. 2005-89, entitled "A Resolution of the Suisun City Council Forming Community Facilities District No. 2 (Municipal Services)" (the "Resolution of Formation"), previously adopted by this Council for the CFD, are by this reference incorporated herein, as if fully set forth herein.

3. Voter Approval. Pursuant to the provisions of the Act, the propositions of (i) the annexation of the Annexation Territory and (ii) the levy of the Special Taxes within the Annexation Territory shall be submitted to the voters of the Annexation Territory at an election called therefor as hereinafter provided.

4. Electors Determined. This Council hereby finds that fewer than 12 persons have been registered to vote within the Annexation Territory for each of the 90 days preceding the close of the hearing heretofore conducted and concluded by this Council for the purposes of these annexation proceedings. Accordingly, and pursuant to the Act, this Council finds that for purposes of these proceedings the qualified electors are the landowners within the Annexation Territory and that the vote shall be by said landowners, each having one vote for each acre or portion thereof such landowner owns in the Annexation Territory.

5. Applicable Laws. Pursuant the Act, the election shall be conducted by mail ballot under Section 4000 of the California Elections Code, provided, however, that for purposes of setting the date for the election, Sections 53326 and 53327 of the Act shall govern.

6. Special Election Called. On Tuesday, February 17, 2015, in City Hall, Council Chambers, 701 Civic Center Boulevard, Suisun City, California, a special election is hereby called to consider the measure described in the ballot referred to below. This Council hereby further finds that the provision of the Act requiring a minimum of 90 days to elapse before said election is for the protection of voters, that the voters have waived such requirement and the date for the election herein specified is established accordingly.

Under Section 50075.1 of the Government Code, the following accountability provisions shall apply to the special taxes: (a) the provision and/or acquisition of the Services and the incidental costs thereof, all as defined in the Resolution of Intention to Annex and the Resolution of Formation, shall constitute the specific single purpose; (b) the proceeds shall be applied only to the specific purposes identified in (a) above; (c) there shall be created special account(s) or funds(s) into which the proceeds shall be deposited; and (d) there shall be caused to be prepared an annual audit and report of the CFD.

7. **Election Official.** The City Clerk is hereby appointed as the election official to conduct the election and shall cause to be provided to each landowner in the Annexation Territory a ballot substantially in the form of Exhibit A hereto (the "Ballot"), which form is hereby approved. The City Clerk shall accept mailed or hand delivered Ballots of the qualified electors received prior to 7:00 o'clock p.m. on the date fixed above for the election.

8. **Effective.** This resolution shall take effect upon its adoption.

RESOLUTION NO. 2015-__

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SUISUN CITY
DECLARING RESULTS OF SPECIAL ANNEXATION ELECTION, DETERMINING
VALIDITY OF PRIOR PROCEEDINGS, AND DIRECTING RECORDING OF
AMENDED NOTICE OF SPECIAL TAX LIEN**

**CITY OF SUISUN CITY
Community Facilities District No. 2
(Municipal Services)**

Annexation No. 9 (Parcel Map PM 06-02 Parcel 2--Tax Zone No. 6)

WHEREAS, in proceedings heretofore conducted by the Council pursuant to the Mello-Roos Community Facilities Act of 1982 (the "Act"), this Council has heretofore adopted a resolution calling a special election of the qualified landowner electors in the territory of land (the "Annexation Territory") proposed to be annexed to Community Facilities District No. 2 (Municipal Services) (the "CFD"); and

WHEREAS, pursuant to the terms of the resolution of the City Council entitled "Submitting Annexation of Territory and Levy of Special Taxes to Qualified Electors" (the "Election Resolution") adopted by the City Council on this date, which is hereby incorporated herein by this reference, the special election has been held and the City Clerk has filed a Canvass of Votes Cast in Special Election (the "Canvass"), a copy of which is attached hereto as Exhibit A; and

WHEREAS, this Council has reviewed the Canvass and hereby approves it.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Suisun City orders the following:

- 1. Issue Presented.** The issues presented at the special election were (i) the annexation of the Annexation Territory to the CFD and (ii) the levy of a special tax within the Annexation Territory.
- 2. Measure Approved.** Pursuant to the Canvass, the issues presented at the special election were approved by the landowners of the Annexation Territory by more than two-thirds of the votes received at the special election.
- 3. Annexation Completed.** Pursuant to the voter approval, the Annexation Territory is hereby declared to be fully annexed to and part of the CFD with full legal effect.
- 4. Authority to Levy Special Taxes.** Pursuant to the voter approval, this Council may levy special taxes in the territory in the Annexation Territory according to the rate and method of apportionment specified in the Resolution of this Council entitled "A Resolution of Intention to Annex Territory to Community Facilities District and to Authorize the Levy of Special Taxes Therein," adopted on January 6, 2015.

5. **Prior Proceedings.** It is hereby found that all prior proceedings and actions taken by this Council pursuant to the CFD and the Annexation Territory were valid and in conformity with the Act.

6. **Amendment to Notice of Lien.** Within 15 days of the date of this Resolution, the City Clerk shall execute and cause to be recorded in the office of the County Recorder of the County of Solano an amendment to the Notice of Special Tax Lien as required by Section 3117.5 of the California Streets and Highways Code.

7. **Effective.** This resolution shall take effect upon its adoption.
