**NOTICE IS HEREBY GIVEN THAT** the City Council of the City of Suisun City is conducting a public hearing to hear an appeal of the Planning Commission's January 30, 2024, decision on Site Plan/Architectural Review Permit No. 23/24-003 for the Almond Gardens Apartments Redevelopment Project located at Assessor's Parcel Number's 0032-101-420 and 0032-102-160 which is both North and South of Almond Street and is 3.19 acres in size. The proposed project consists of up to 99 units and would result in a three-story product. The unit count may be flexed downward as a result of tax credit financing. The City previously prepared and certified an Environmental Impact Report (EIR) for the 2035 General Plan, which was adopted in 2015, and which analyzed the impacts of development anticipated under the WDSP. The impacts associated with the type of development accommodated under the WDSP, including zoning, density, parking, and other development standards were previously analyzed in the 2035 General Plan EIR. Therefore, pursuant to CEQA and the CEQA Guidelines, the City, as the lead agency, intends to use the 2035 General Plan EIR as the CEQA document for the environmental impacts associated with the updated WDSP and CEQA Guidelines Section 15183 allows a streamlined environmental review process for projects that are consistent with the densities established by existing zoning, community plan or general plan policies for which an EIR was certified.

The original application is on file and may be reviewed at the Suisun City Development Services Department at 701 Civic Center Boulevard between 9:00 a.m. and 5:00 p.m., Mondays, Tuesdays, Wednesdays, and Thursdays, City Hall is closed on Fridays.
