Environmental Review: The City of Suisun City is the Lead Agency for this Initial Study/Mitigated Negative Declaration (IS/MND), which has been prepared to identify and assess the anticipated environmental impacts of the proposed Marina Village - Housing Project (Project or Proposed Project) and mitigate potentially significant environmental effects. This document has been prepared to satisfy the California Environmental Quality Act (CEQA) (Public Resources Code [PRC], § 21000 et seq.) and State CEQA Guidelines (14 California Code of Regulations [CCR] 15000 et seq.). A CEQA IS/MND is generally used to determine the potentially significant environmental affects and mitigate those to be less than significant.

The public review period will commence on November 3, 2021 and end on December 2, 2021, pursuant to CEQA Guidelines Section 15105.
