ADDITIONAL LOCAL EMERGENCY DIRECTIVES

On March 16, 2020, in my capacity as Director of Emergency Services and pursuant to the authority vested in that position by Chapter 2.32 of the Suisun City Municipal Code, I declared a state of local emergency related to the rapidly evolving public health threat caused by the Novel Coronavirus (COVID-19). That declaration was ratified on March 17, 2020 by City Council Resolution No. 2020-40.

As provided by the declaration of local emergency, and by Resolution No. 2020-40, as Director of Emergency Services I have the authority to issue directives as deemed necessary for the protection of the public health. I am issuing the following order accordingly as set forth below.

I find that the area around the boat launch in the marina is being occupied by individuals who are crowding together and not maintaining the required social distance. This unnecessarily endangers the individuals who are congregating there, as well as the citizens, employees, and public safety officers of the City. I also find the ability to launch emergency boats to save lives in the marina is being hindered.

I also find that vehicles parked in specified posted locations in the marina present a serious risk to public health and safety.

I find that the lack of available hand sanitizers at essential businesses that serve the public presents a serious risk to public health and safety.

Furthermore, I find that groups are still congregating on playgrounds and in parks and teams are still trying to play sports presenting a serious risk to public health and safety.

I, therefore, hereby order the following, effective immediately, pursuant to Section 2.32.070(A) of the Suisun City Municipal Code, to be ratified by the City Council within the earliest practicable time:

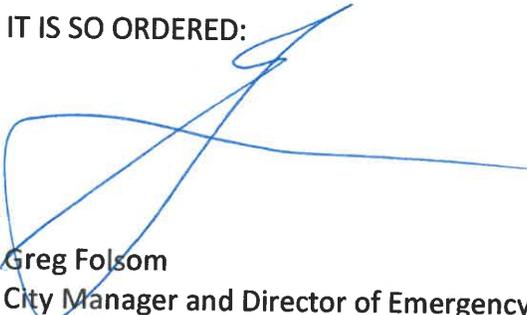

1. Effective immediately and, for the duration of the local emergency, the marina parking lot and the area within 300 feet of the boat launch is closed to anything but the immediate launching,

DEPARTMENTS: AREA CODE (707)
ADMINISTRATION 421-7300 • DEVELOPMENT SERVICES 421-7335 • BUILDING 421-7310 • FINANCE 421-7320
FIRE 425-9133 • RECREATION & COMMUNITY SERVICES 421-7200 • POLICE 421-7373 • PUBLIC WORKS 421-7340
SUCCESSOR AGENCY 421-7309 FAX 421-7366

retrieving, loading, unloading of a boat, or parking of an unoccupied boat tow vehicle and trailer with paid parking permit. Additionally, all posted signs in the marina shall be fully enforceable including, but not limited to, all parking restriction signage as posted. The Chief of Police or his designee is hereby authorized to post signs on all parking pay stations to regulate parking hours consistent with this order. Violations of this order shall be enforceable as a violation of the Suisun City Municipal Code.

2. Effective immediately, all essential businesses who continue to operate retail store fronts are hereby ordered, to the extent product is available, to provide sanitation devices at all entry points and/or points of sale of the business by the public either in the form of sanitation wipes or hand sanitizer dispensers. Open businesses should also ensure that their entry areas are clean and any surfaces near the entry that could lead to viral infection are minimized and/or sanitized regularly. I find that this order is necessary under Section 2.32.130(B) of the Suisun Municipal Code to protect the public health and safety due to COVID-19. Violation of this order will be enforced accordingly as a violation of the Suisun City Municipal Code.
3. Effective immediately and, for the duration of the local emergency, all playground equipment is closed. All group activities are prohibited in the parks, including but not limited to contact sports and team sports and practices.
4. Violation of or failure to comply with this order, previous directives, or the Solano County Shelter at Home health order is a misdemeanor punishable by fine, imprisonment, or both (California Health and Safety Code § 120275, et seq.; Cal. Penal Code §§ 69,148(a)(1).)
5. I hereby reserve the right to issue additional directives as needed.

IT IS SO ORDERED:

Greg Folsom
City Manager and Director of Emergency Services
