Each label must contain the assessor’s parcel number, property owner’s name, and mailing address taken from the most current information available at the County Assessor’s office. Most local Title Companies will assist in assembling these.

Label lists must be keyed to an accompanying map or maps. In most cases, copies of the Assessor’s parcel maps should be used. The subject property must be outlined in red and a continuos red line must be delineated 300 feet from the exterior boundaries of the subject property. If on more than one map, the pages may be taped or stapled together. Each map should indicate which parcel book it was taken from A simple example of such a map is on the reverse of this sheet.
