Certain types of applications are required to be accompanied by two (2) sets of property owner notice mailing lists. These include for instance applications for rezonings, planned unit developments, and tentative maps.

Since this information is used to mail notices of public hearings, these lists are required to be typed on 1” x 2 3/4” pressure sensitive labels. These labels are to include all property owners within 300 feet of the exterior boundaries of the project site, the owner of the subject property, the project applicant, architect and other persons to be notified of hearings. Each label must contain the assessor’s parcel number, property owner’s name, and mailing address taken from the most current information available at the County Assessor’s office. Most local Title Companies will assist in assembling these.

Label lists must be keyed to an accompanying map or maps. In most cases, copies of the Assessor’s parcel maps should be used. The subject property must be outlined in red and a continuos red line must be delineated 300 feet from the exterior boundaries of the subject property. If on more than one map, the pages may be taped or stapled together. Each map should indicate which parcel book it was taken from A simple example of such a map is on the reverse of this sheet.

Labels shall be typed for each separate lot wholly or partially within 300 feet of the subject property. Labels may be combined for an owner who owns more than one parcel.
