VIRTUAL CHRISTMAS TREE LIGHTING

Suisun City, CA – DECEMBER 3, 2020

The City of Suisun City Recreation, Parks, and Marina Department would like to invite everyone to enjoy the Virtual Christmas Tree Lighting beginning Saturday evening, December 5, 2020. Due to Covid-19, this is alternative programming from the usual Christmas on the Waterfront event which features the lighted boat parade, great holiday music, carriage rides, a visit from Santa and Mrs. Claus, and culminates with the tree lighting and a spectacular fireworks show. The event this year will be virtual and no public gathering will take place.

Mayor Lori Wilson stated, “Although it will look a little different this year, I am excited to virtually host the Christmas Tree Lighting on the Waterfront like we do every first Saturday of December. This has been a challenging year for many families in Suisun City. I hope this will spread a bit of cheer as we enjoy the festivities of the season. ”

This year’s virtual event will feature music prior to the tree being lit. Gather around your favorite video source with your family and enjoy holiday treats as you watch the tree come to life. The tree will light up every evening during the holiday season and the City of Suisun City invites you to visit our downtown waterfront businesses and the tree located at Harbor Plaza. Please use your best judgment in maintaining social distancing, wearing a mask, and observing any stay at home orders in effect at the time.
