Statement of Qualifications

My husband and I have lived in Suisun for 23 years and raised two children here. I hold a BA from San Jose State University and an Executive Certification in Sustainability Management from Presidio, SF. I have served as a Planning Commissioner for the City of Suisun and have been the recipient of the Fairfield Suisun Excellence in Leadership Award. In addition, I have served on the board of the Kroc Center.

For the last 15 years, I have worked in the areas of Strategic Development and Strategic Sourcing. My responsibilities included management of multi-million-dollar capital budgets, and development and implementation of a capital program management. My background in Sustainability Management has been integral to both roles in the elimination of waste in effort to create a healthier environment.

My strong work commitment has allowed me to dedicate myself to each vision, through strong collaboration with other entities.

My ability to build and foster strong working relationships have been the cornerstone of my career leading to each project's success.

My communications skills have afforded me the opportunity to engage at all levels of the organization and community to continue to learn and grow.
