My vision of Suisun City is a safe and secure community that is family centered. With well-maintained green parks, neighborhoods, and streets with a thriving volunteer fire department and a seasoned police department. I envision a bustling business community with a diversity of businesses and business opportunities. A vibrant downtown entertainment district with an active nightlife and variety of dining opportunities.

I have and I will continue to bring innovative solutions to the city. Finding new opportunities, projects and partnerships to enhance the quality of life for all residents. Whether it is the fourth of July public fireworks, non-profit bingo, or Prop 49 before and after school programs – I have always found new ways to solve existing problems.
