My Name is Thomas Kamin

My Age is (optional): 54

My Occupation is: Hospital Engineer

Statement and word count begin below:

I moved to Suisun in 1995 from the Bay Area shortly after my son was born looking for a better life for my family and found it here. I joined the Suisun City Fire Department in 1996 and still serve today. I retired from the U.S. Air Force Reserves in 2010 after 24 years of service as a Aeromedical evacuation technician (Flight Medic)

I have owned two homes in Suisun, one of which I live in today.

I have seen this city go through many changes and make some very good decisions.

I have also seen some that are not the best results.

I have been in the building trades most of my life from carpenter to contractor and I have owned two companies, one a contracting company here in Suisun.

I see the financial foundation of our city to be insufficient to support the city's current needs. As our city moves to the future, we need to attract and sustain a larger business community. Moving forward I intend to work on improving our financial foundation to better support city programs and services; such as Police, Fire and Parks Departments.

I have reviewed the above statement. I understand no corrections or changes are allowed after it has been filed, and it will be printed as filed with the City Clerk. I hereby certify that the statement submitted is true and correct to the best of my knowledge and belief.
