January 22, 2015

RE: Walters Road Pavement – Phase 2 Project in Suisun City

To all Plan Holders:

Attached you will find Addendum #1 for the above referenced project.

This Addendum #1 is hereby incorporated into the project bid documents, plans and specifications.

Bidders must complete the acknowledgement form included with this addendum and attach it to their bid proposal. Bidders who do not include the acknowledgement form with their bid may be considered non-responsive. The acknowledgement is also to be faxed to the City at (707) 429-3758.

Bidders are responsible for carefully reviewing the information contained in this addendum and incorporating into their bid.

If you have any questions to the content of this Addendum, please contact Lee Evans, Associate Engineer/Project Manager, in writing via email at levans@suisun.com.

Thank you,

Daniel A. Kasperson
Building & Public Works Director
ADDENDUM NO. 1

CITY OF SUISUN CITY
Walters Road Pavement – Phase 2

This Addendum #1 includes the following:

1. Prospective bidders’ attention is directed to page 38 of the specifications. Per the said specifications, Subsection 5-1.05A of said specifications, Payments, shall have the below paragraph added.

    Each progress payment will have a 5% retention withheld from payment. The total retention withheld will be released 35 days after the City Council has accepted project.

2. Prospective bidders’ attention is directed to page 41 of the specifications which currently reads as follows: “i. Comprehensive General Liability: $1,000,000 combine single limit per occurrence for bodily injury, personal injury and property damage”. This language shall be replaced with the following: “i. Comprehensive General Liability: $2,000,000 combine single limit per occurrence for bodily injury, personal injury and property damage.”

3. Prospective bidders’ questions are as follows with answers:

   • Is the bid date and time still set for 1/29 at 10AM?
     Yes, the bid deadline date is 1/29/15 at 10AM.

   • Have any addenda been issued?
     Only this Addendum #1 has been issued.

   • Is there a plan holders list available?
     Yes, for a copy of the list please contact Gemma Geluz at ggluz@suisun.com or (707) 421-7340.

   • Is there an estimated cost for the project?
     The engineer’s estimate is $160,000.00.

   • Is class 2 aggregate Base required for this project?
     Yes, any aggregate base to be used is to comply with in section 10-11, Aggregate Base, of the specifications.
• Is petro-mat Fabric required for this project?

No petro-mat fabric required.

4. The title page of the specifications is to be replaced with the attached title page which includes the City Engineer’s stamp and signature.

This Addendum No. 1 with the signed acknowledgement form must be attached to your bid proposal or your bid may be considered non-responsive. The acknowledgement is also to be faxed to the City at (707) 429-3758.

No further questions to the contents of the plan and specifications will be accepted by the City after January 21, 2015.
